Semi Cloisonne pins are made using the same techniques as the Cloisonne, but the recessed spaces are filled with a hard epoxy enamel rather than glass. These pins have all the aesthetic beauty of true classic cloisonne with the benefit of Pantone color matching. The recessed color wells are filled, one color at a time, with enamel. When complete, the pin is placed into an oven to harden. Finally its ground to remove an excess enamels and carefully polished.

This process is sometimes called "Tone on Tone". The pin is die struck and shows off the highly polished metal set against the dull matte or sandblasted textured background.

Our Cloisonne Hard Fired pins continue the fine art tradition of glass enameling started in China centuries ago. The pins are made from hand-pouring powdered glass into the recessed die struck brass base. The brass can be plated in gold, silver or nickel. After baking at a very high temperature, the glass enamel is sanded and polished to be flush with the metal lines that separate the colors. This gives the pins a smooth, lustrous quality making them prized by collectors. Available colors are limited to a select group of genuine cloisonne glass powders.

Cloisonne Hard Fired Enamel

„Die natürliche und friedvolle Entwicklung des deutschen Volkes.“

*In seiner Rundfunkbotschaft vom 24. Dezember
1943 erklärte Präsident Roosevelt :*

„**D**IE Vereinten Nationen haben nicht die Absicht, das deutsche Volk zu versklaven. Wir wünschen, die natürliche und friedvolle Entwicklung des deutschen Volkes zu einem geachteten und wertvollen Mitglied der europäischen Völkerfamilie nicht zu hemmen. Aber wir legen allen Nachdruck auf das Wort „geachtet“ ; denn wir sind entschlossen, das deutsche Volk ein für alle Mal vom Nationalsozialismus, preussischen Militarismus und von der phantastischen Idee zu befreien, dass das deutsche Volk eine Herrenrasse sei.“

„Grossbritannien, Russland, China, die Vereinigten Staaten und ihre Verbündeten vereinigen mehr als

U.S.G.34

drei Viertel der Gesamtbevölkerung der Erde. Solange diese vier Weltmächte mit ihrer grossen militärischen Macht in ihrem Entschluss zusammenstehen, den Frieden der Welt zu bewahren, wird es keinem angriffslustigen Land mehr möglich sein, einen neuen Weltkrieg zu entfesseln. Diese vier Weltmächte müssen jedoch mit allen freiheitsliebenden Völkern Europas, Asiens, Afrikas und des amerikanischen Kontinents zusammenstehen und zusammenwirken. Die Rechte jeder einzelnen Nation, gleichgültig ob gross oder klein, müssen geachtet und so sorgsam geschützt werden, wie die Rechte jedes Einzelnen innerhalb der Vereinigten Staaten von Amerika.“

Franklin D. Roosevelt
