STMR3 - 19503C - Stress-Test Mag-Rites™

DLM5000 - Magnetic Handy Hanging Pen

Chiropractor office was looking for an alternative to postcard appointment reminders. **Magna-Tel's Pocket Pals™** magnet was selected. The Chiropractor now hands out this magnet along with their paper appointment reminder cards for the patient to place on their refrigerator. This approach has eliminated all postage costs and actually improved patient follow through and retention.
