Soft Surface Fabric Mousepads

Custom Soft-Top Mousepads are the most popular selling mousepad used for promotional advertising. Soft polyester cloth surface mousepads are low cost and durable. Clients can roll them up and stuff them in a bag for hassle-free carrying at a tradeshow. Colorful graphics are permanently dyed into the surface thru sublimation.

• Soft Surface Mousepad

Prices are for shipping in 6 days without Proof

Soft Surface Fabric Counter Mats

Fabric Counter Mats are valuable for their long life with freedom from the curling and delaminating commonly occurring with hard surface counter mats. They offer a soft cushion for rough parts or delicate objects. Graphics are as bright as hard top graphics within the scope of the dye sublimation printing process. Like soft surface mousepads, fabric counter mats are lower in cost than hard surface counter mats.

Call or e-mail for a quote on your specific requirements.

HeavyDuty Window Counter Mats

Change your advertising message at the Point of Sale. Use a Window Counter Mat with changeable low cost inserts. HeavyDuty Counter Mats are made with a special strong design of .020" top vinyl layer. The triple strength plastic makes a stiff counter mat which resists dents and curling. Call or e-mail for a quote. Minimum quantity is 250.

• HeavyDuty Counter Mat

Item No. CT900

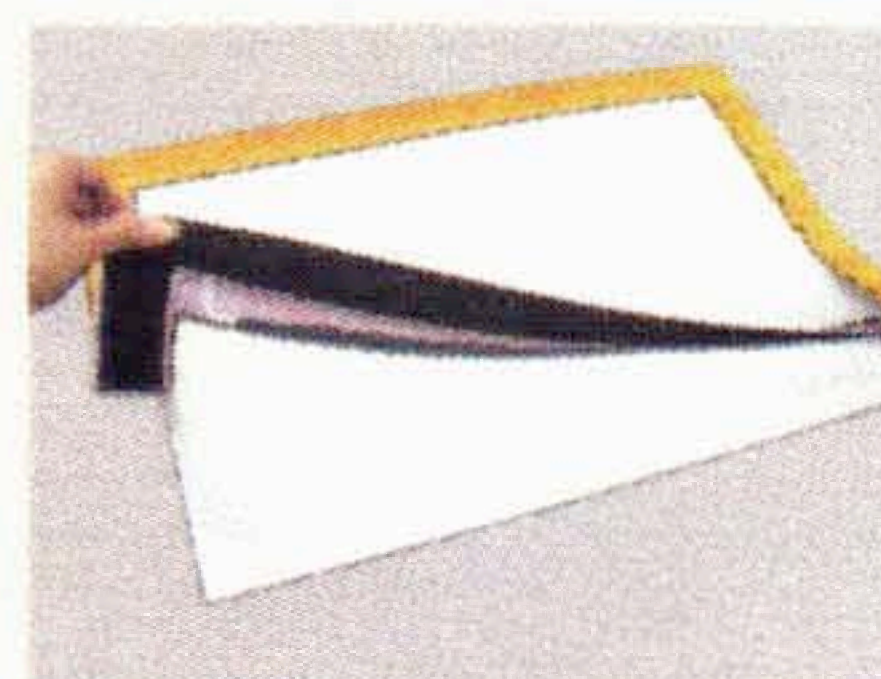

Counter mat top is triple thickness .020" mil vinyl for the most durable mat available. Rubber base is 1/16" or 1/8"

• HeavyDuty Window Counter Mat, Back Load - Slit Back

Item No. CT905

Counter Mat top cover is fastened on four sides to a hard-top covered rubber base that has a slit back opening for inserting the insert. Natural rubber base is 1/18" thick.

• HeavyDuty Window Counter Mat, Edge Load

Item No: CT910

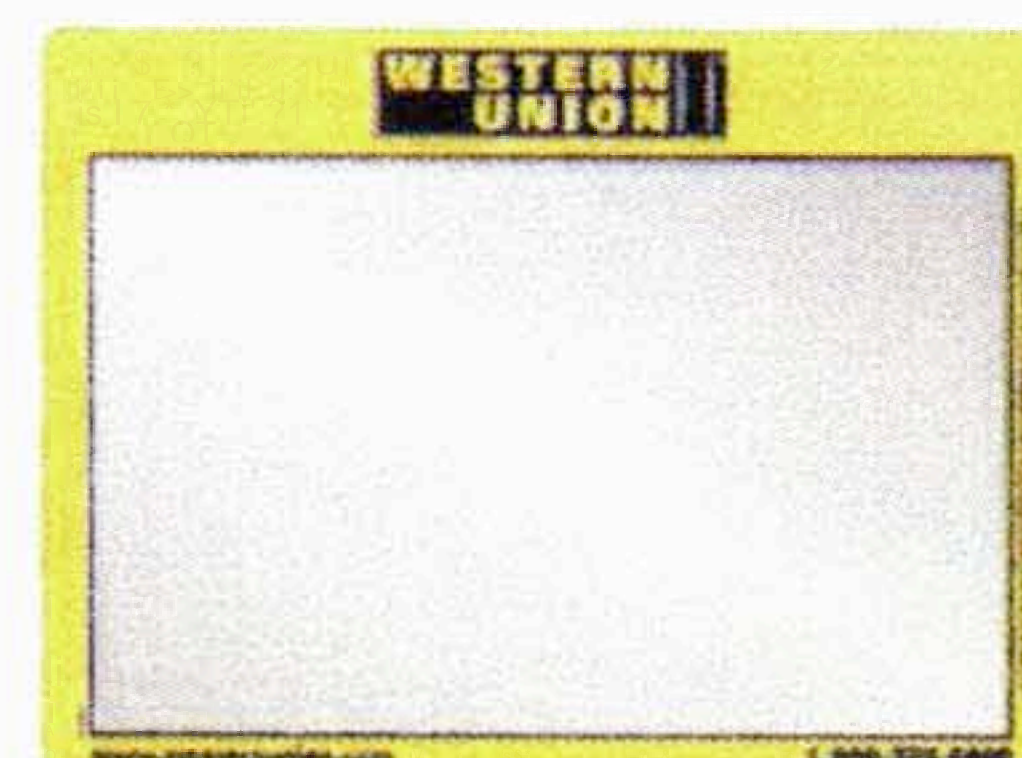

The Counter Mat top cover is fastened three sides to the hard surface covered base to form a slide-in pocket opening on one edge. Base top layer can be imprinted Top cover and base top extra thickness plastic. Rubber base is 1/16' or 1/8"

• HeavyDuty Window Counter Mat, Magnet Lift-Top

Item No: CT920

Counter Mat with a lift-top fastened to the base along the top edge. 1" wide magnets on the other three edges securely holds the lift-top closed and form the insert pocket. Rubber base is 1/16' or 1/8"

Blank Window Counter Mats

• Blank Window Counter Mat, Carried in Stock

Full-size inserts in a sealed edge change mat. These mats allow the flexibility of changing graphics without producing an entirely new mat. A clear matte finish vinyl is heat sealed on the edges to a 1/16" doeskin rubber base. The base has a white top and black bottom. An opening on one end allows inserting the display.
