NIK MELLER

COLLECTION

Nick Meller

From the Angel Falls and Tepui Mountains in Venezuela, the Valley of the Roses in Bulgaria, the Acropolis in Greece, the Towers of San Gimignano in Italy and the Great Wall of China to the most celebrated cities of the world such as London, New York, Munich, Athens, Istanbul, Florence, Prague, Vienna, Paris, Shanghai, Beijing the artist has found inspiration for the Nik Meller Collection.

Whether it's a crystal clear sky over the Alps or the deep blue waters of the world's Oceans, The Nik Meller Collection captures the elegance of the world's most stunning imagery.

International furniture designer, craftsman and sculptor Nik Meller has had the good fortune of seeing some of the world's jungles, mountains, deserts and many of its cities. Living in London, New York, Munich, Boston and Los Angeles exposed the artist to many different ways of living that are rich in history, art and culture. This spirit of adventure led him across Eastern and Western Europe, the Middle East, North & South America and into Asia. His work is infused with the rich and complex artistry that comes with a global perspective and appreciation of the world's beauty.

From the natural perfection of a bee's honeycomb and a spider's web, giving man the building blocks to create the architectural structures of our civilization, the artist captures the fine elements of beauty in both the natural and man made.

His intention is for you to gaze into these crystal sculptures and lose yourself in the ever-changing landscape of elegance.
