# Biodegradable Paper Cups

These cups use a corn based plastic as a moisture barrier rather than a petro chemical plastic. The cup is fully compostable in commercial and municipal sites and requires less energy to produce. Each cup is preprinted in green horizontally along the bottom and vertically up the seam. Your logo will make a statement that you are committed to a sustainable approach.

# Biodegradable Plastic Cups

Great for fundraisers, boats, pool/construction company give aways, golf tournaments. Natureworks TM Poly Lactic Acid is a resin entirely derived from natural corn. PLA is 100% renewable through annual corn harvests and fully compostable in municipal and industrial facilities. These cups should be stored at temperatures under 105 degrees (40 degrees C) and away from direct sunlight. We offer single sided imprints on biodegradable plastic cups.

# Paper Cup Sleeves/Insulators

Our cup sleeves fit most paper cups between 10-20oz.  
 Imprints are offered on one side.  
 The sleeve will rest at different heights on the cup depending on the cup diameter.  
 The dimpled surface sleeve offers improved gripping of the cup as well as a channel for heat to circulate.

## High Volume Napkins - General Information

Set up @ \$100.00 (G) per colour - Up to 10% over/under equates to a completed order and billed accordingly.

Ink match within one shade @ \$40 (G) per colour. Production 15-20 working days from all approvals. Call office to verify.

# Information générale de commande

## Frais de mise en train:

60,00 \$ (G) par couleur pour les tasses, assiettes en papier, manchons isolants et bâtonnets à cocktail.  
Serviettes de table – bas volume, impression à l'encre 45,00 \$ (G).  
Serviettes de table – bas volume, impression feuille 100,00 \$ (G).  
Serviettes de table – volume élevé, 100,00 \$ (G) par couleur.

**Temps de production:** 10-15 jours ouvrables après réception de toutes les approbations sur la plupart des articles. Les volumes plus élevés prendront plus de temps. Contactez le service à la clientèle pour les temps de production. Une fois qu'un bon de commande nous est envoyé, nous répondons en envoyant une commande client par télécopieur, une épreuve graphique et un formulaire d'autorisation de carte de crédit. Nous demandons la signature de toutes les copies avant de procéder à la production. Les commandes seront retardées jusqu'à réception de toutes les approbations.

**Service urgent:** offert sur certains produits @ 20 % en sus ou 50,00 \$ (G) minimum.  
Vérifiez avec l'usine pour la disponibilité et les délais.

**Document d'impression:** nous exigeons un document d'impression vectoriel en format EPS.  
Version CS2 Illustrator ou antérieure.

À moins de demande contraire, nous redimensionnons le document pour mieux convenir aux zones d'impression. Le document d'impression doit être envoyé au format approprié. Tout changement, y compris la mise en page, fera l'objet de frais minimum de 50,00 \$ (x) l'heure. Les lignes minces et les polices de caractères de moins de 8 points disparaîtront ou seront remplies. Aucun demi-ton ni gradient. Les logos avec cercles sur les tasses paraîtront ovales en raison du cintrage sur la tasse. Les écrans, plaques et films demeurent la propriété de The Printed Drinkware Company.

**Épreuve:** aucuns frais pour une épreuve télécopiée. Frais supplémentaires de 5,00 \$ (x) par révision d'épreuve, plus les frais d'exécution indiqués ci-dessus. Prière d'allouer 1 jour ouvrable pour l'épreuve.

**Échantillons de préproduction:** nous pouvons offrir des échantillons de préproduction sur certains produits seulement.

**Tirage excédentaire/déficitaire:** nous essayons d'avoir des comptes exacts sur la plupart des articles. Les articles à volume élevé sont acceptés et sujets à +/- 10 % et facturés en conformité.

**Encres standard:** nos couleurs d'encre standard sans pellicule sont: rouge 032, noir, blanc, bleu alcalin reflexe, bleu cyanure, vert 341, jaune Pantone, orange 21, mauve Pantone, pourpre Pantone.  
Il n'y a pas de frais supplémentaires pour l'utilisation des couleurs d'encre standard.

**Agencement de nuancier Pantone:** l'agencement de couleurs d'encres de nuancier Pantone sur papier non couché est 40,00 \$ (G) par couleur. **NOUS NE GARANTISSONS PAS LES AGENCEMENTS DE NUANCIER PANTONE** en raison des variations de matériel de support, de couleurs de support, de l'interprétation des sources lumineuses, des niveaux de pH du papier, et du contenu recyclé des produits.

**Expédition:** Toutes les expéditions sont franco à bord Woodbridge, ON et lorsque disponible, Lewiston, NY. Transporteurs: UPS, FedEx, Purolator, Vitran. Nous ne sommes pas responsables des délais de transport, des frais de courtage, des frais de douane/taxe ou des dommages aux produits une fois que les marchandises quittent notre usine. Toutes les réclamations doivent être faites par le distributeur au transporteur. Expéditions séparées @ 10,00 \$ (G) chaque emplacement.

**Paiement:** nous acceptons Visa et Mastercard. Les factures non perçues sont envoyées à une tierce partie pour recouvrement. Tous les frais juridiques et administratifs seront ajoutés à la facture.

**Échantillons:** les échantillons sont gratuits. Nous encourageons les demandes d'échantillons afin d'éviter une représentation inexacte du produit. Tous les échantillons sont envoyés par poste ordinaire. Pour un service accéléré, veuillez fournir le nom de votre messagerie et votre numéro de compte.

Une quantité inférieure à minimum n'est pas offerte.

Une annulation de commande après réception des approbations finales sera facturée selon les coûts encourus. Les frais de retour sur les produits en blanc sont de 30 %.

La taille, le prix et les descriptions de produits peuvent changer sans préavis en raison de la disponibilité.

En raison des huiles, résines, moules et colorants utilisés dans la fabrication, les produits peuvent varier en couleur, montrer des marques d'abrasion, des points ou des rayures sur l'image. Ceci est considéré normal et non une défectuosité.

# General Ordering Information

---

## Set up charges:

\$60.00(G) per colour for cups, paper plates, cup sleeves and swizzle sticks.  
Napkins - low volume, ink printed \$45.00(G).  
Napkins - low volume, foil stamped \$100.00(G).  
Napkins- high volume, \$100.00 (G) per colour.

**Production time:** 10-15 working days after all approvals are received on most items. Higher volumes will take longer. Contact customer service for current production times. After a PO is sent to us, we will respond with a faxed sales order, art proof, and credit card authorization form. We require all copies signed to proceed with production. Orders will be delayed until all approvals are received.

**Rush service:** Offered on certain products @ 20% extra or \$50.00(G) minimum. Check with factory for availability and timing.

**Artwork:** We require vectored art in EPS format. Illustrator version CS2 or lower. Unless advised, we size artwork to best fit the imprint areas. Art must be sent in proper format. Any changes, including typesetting will incur a minimum art charge of \$50.00(x) per hour. Thin lines under 1 pt and font under 8pt will disappear or fill in. No halftones or gradients. Logos with circles on cups will appear oval due to the taper of the cup. Screens, plates, and films remain property of The Printed Drinkware Company.

**Proof:** No cost for a faxed proof. Additional charge of \$5.00(x) per proof revision, plus applicable art charges indicated above. Please allow 1 working day for proof.

**Preproduction samples:** We can offer preproduction samples only on certain products.

**Over/Under:** We attempt exact counts on most items. High volume items are accepted and subject to +/- 10% and billed accordingly.

**Standard Inks:** Our standard uncoated ink colours are: Red 032, Black, White, Reflex Blue, Process Blue, Green 341, Pantone Yellow, Orange 21, Pantone Violet, Pantone Purple. There is no extra charge for using standard ink colours.

**PMS Match:** Uncoated PMS ink colour match is \$40.00 (G) per colour. **WE DO NOT GUARANTEE PMS MATCHES** due to variations in substrate materials, substrate colours, light source interpretation, pH levels of paper, and recycled content in the products.

**Shipping:** All shipments are FOB Woodbridge, ON and when available, Lewiston, NY. Carriers: UPS, FedEx, Purolator, Vitran. We are not responsible for freight delays, customs brokerage charges, duty/tax charges or product damages after the goods leave our factory. All claims are to be made by the distributor to the carrier. Split shipments @ \$10.00(G) each location.

**Payment:** We accept Visa and Mastercard. Uncollected invoices are forwarded to third party collections. All legal and administration charges will be added to the invoice.

**Samples:** Samples are free. We encourage sample requests to avoid product misrepresentation. All samples are sent regular post. For expedited service, please provide your courier and your account number.

Less than minimum is not offered.

Cancellation of order after final approvals are received will be billed according to what costs have been incurred. Restocking fees on blank products are 30%. Special order items are non cancellable and non returnable.

Size, price, and product descriptions may change without notice due to availability.

Due to oils, resins, molds, and dye lots used in manufacturing, products could vary in colour, show abrasion marks, dots on the image or scratches. This is considered normal and not a defect.
