DIGITAL CAMCORDERS

HDV007 High Definition Camcorder

This High Definition video camera puts the power to create a state-of-the-art video masterpiece in the palm of your hand. With still image capture up to 12 mega pixels (with interpolation) and 5 mega pixels without, you no longer need to carry separate cameras for still and video. A clever drop down door conceals the rechargeable lithium battery and the SD card slot. A generous 2.4" color LCD makes shooting, reviewing and playback a breeze. Simple to use controls and fast startup mean this camcorder can go from resting in a pocket to shooting in just a couple of seconds - so you'll never miss capturing another great moment. Takes up to 8G SD card (not included).

- Video Capturing/Still Image Capture/Voice Recording
- HD Video (720p) with 30 FPS
- 64MB Memory (External SD Card Up to 8GB)
- 2.4" TFT Screen/4X Digital Zoom
- Lithium rechargeable battery
