AMERIFOAM®

EST. 1951

61 YEARS

— of doing the right thing —

THE HOUSE OF FOAM

AMERIFOAM.COM

AMERIFOAM.COM

FROM THE CEO

We at AmeriFoam would like to thank you for your business and confidence you have extended to us since we first opened our doors in 1951.

We continue to specialize in a wide variety of in-stock items and custom orders - from hands to packaging. If it's made from foam we can make it. All of our foam products are 100% made and manufactured here in our temperature controlled, 80,000 square foot Michigan facility.

We are without question the leader in thermal seal foam items. Most of our foam products are made from hybrid foam that will save more than 50,000 barrels of oil per year.

Our motto is and always will be "Do The Right Thing" for our customer and employees. We look forward to servicing you for years to come.

Sincerely,

Bob Linenfelser
AmeriFoam® President/CEO

All prices are computed with customer supplied process ready vector art. Due to the texture of foam, we suggest one color bold print for maximum quality on all foam products. Small details on artwork might be removed to provide a legible imprint. AmeriFoam® will make the final decision regarding whether artwork is process ready.

ARTWORK APPROVAL OF EMAIL OR FAXED PROOF: We will fax or email a proof for final approval at no charge. Please check proof carefully. Signed proofs show approval and responsibility for the positioning of artwork, spelling, layout and design for the order.

E-MAILED ARTWORK: Artwork can be sent electronically. Due to software conflicts, a copy of the art must be faxed with the purchase order number indicated on it. We are PC based and use Adobe Illustrator CS5 ai/eps format.

ART CHANGES: There is an art charge on all orders that do not have process ready vector art. We will quote specific artwork charges for each layout with a minimum charge of \$30.00(R). If art needs to be recreated, an hourly rate of \$45(R) will apply.

TYPE SIZE: Type size for foam products must be 17 point text or above.

INK COLORS: PMS colors are additional and are not guaranteed. Please call for a quote. We recommend dark inks on detailed artwork.*

METHOD OF IMPRINTING: Foam items, dart boards, backboards, coolis and some bottles are screen printed. Vinyls, plastics, wood, stress items and some bottles are pad printed.

MULTI-COLOR IMPRINT: We are capable of up to 5-color print depending on the product, artwork and quantity. Please ask for a special quotation. Plastic backboards on our basketball sets can be screened in 4 color process.

MULTICOLOR ARTWORK: Must be spot colors and sent color separated along with a vector composite of the artwork. The proper imprint colors should be part of the artwork as well as stated on the purchase order.

PRODUCT/COLOR VARIANCE: We cannot guarantee exact matches on repeat orders. Like-named colors in different materials may not be an exact color match. In our continuing effort to improve our products, we reserve the right to change specifications without notice.

COLOR REGISTRATION: Due to the printing process products may shift or move 1/16" to 1/8" in any direction during production and no two products will look alike. EXACT REGISTRATION CANNOT BE GUARANTEED ON ANY PRODUCT.

COLOR CHANGES: Require an additional screen charge. (ie 1/2 the order printed in white, 1/2 printed in black.)

COPY CHANGE: Adding or changing copy will require a new screen and will result in additional charges.

NORMAL PRODUCTION SEQUENCE: Order processing begins with the receipt of a purchase order, credit approval and factory approved artwork. If pre-production samples are requested, order processing begins with approval of the sample.

PRE-PRODUCTION SAMPLES: We provide pre-production samples at a quoted price in addition to screen charges and art charges.

CREDIT TERMS: Please allow 2 weeks for credit approval. After credit approval terms are Net 30 days. Prepayment will expedite new customer orders. We accept Visa, MasterCard, Discover and American Express.

NORMAL DELIVERY: Order processing and production take 10-15 working days for most catalog items up to 5000 pieces. Please call for specific lead-time on a particular product or quantity.

SPECIALIZE: Custom shapes, packaging, thermal seal items.

RUSH SERVICE: AmeriFoam® must approve rush service, please check with factory before sending your order. No rush charges on foam items.

ORDER CHANGES & CANCELLATIONS: Changes are possible before production begins. Submit all changes and cancellations in writing. We charge for all costs incurred by factory up to notice of change or cancellation. This may include artwork, die charges and production costs.

SHIPPING INFORMATION: FOB: Michigan. We ship UPS Ground unless otherwise specified. Other arrangements are available upon request. We do not ship C.O.D. We bill for any address changes or corrections after receipt of the purchase order. Extra freight charges incurred by the factory due to incorrect shipping information given by a customer will be billed. Air freight charges for cartons are subject to dimensional weight regulations by individual carriers. Ground charges for over-sized cartons of foam items may be calculated by the carrier at 102 lbs. per carton.

SPLIT DESTINATIONS: Shipments to multiple destinations are \$15.00 (R) for each additional address.

DELIVERY LIABILITY: Delivery liability with factory ends when merchandise has left the factory via freight carrier.

CREDITS & RETURNS: Inspect all products upon receipt for any defects, omissions or errors in manufacturing. If we have made an error, it is AmeriFoam's® policy to replace merchandise. Claims or adjustments must be made in writing within 20 business days. After 20 days we will consider the invoice undisputed and payment is due in full.

LOST OR DAMAGED SHIPMENTS: File claims for lost or damaged merchandise, or concealed damage with delivering carrier. Leave shipment intact and file claim immediately.

CUSTOM MANUFACTURING: Our in-house facilities are available to you for custom foam products. They include design, tooling, assembly, imprinting and automated packaging. Please call for a specific quotation.

SPECIAL PACKAGING: Special packaging is available. Call for a quotation.

NO COPY ORDERS: When ordering blank items, the product will be in most cases, completely blank. No stock outlines are printed on blank product. Use next quantity price. Returned blank goods are subject to a 20% restocking fee. Returns are not accepted without prior factory approval.

OVERRUNS & UNDERRUNS: Due to the difficulty of manufacturing to exact quantity requirements without sacrificing quality, the industry standard of 5% over or under the quantity ordered will constitute a complete order. Exact quantities shipped if requested.

MATERIAL: We use open cell polyurethane foam. Foam is not recommended for children under 3 years of age. All polyurethane foam is flammable.

RIGHTS TO PROMOTION: We reserve the right to use all logos in our advertising and displays, unless otherwise notified in writing at the time of order.

TRADEMARK NOTICE: All products with trademarks or logos used in this catalog are to show art and imprint reproduction capability only. They do not imply endorsement by holders of such trademarks or designs.

* Printing on any product color other than white will alter appearance of ink.

* White foam will discolor when exposed to open air and/or light. We are not responsible for the discoloration of any white polyurethane foam products.

ALL PRICING SUBJECT TO CHANGE.
