Digital Printing - Spot & 4-Color Process Printed Inserts:

- Photoshop CS5: TIFF, EPS, JPG, PSD
- Minimum 300 dpi, CMYK images accepted.

Due to limitations associated with digital printing, we are unable to guarantee color matching on printed inserts & decals. For more exact color off-set printing is available, minimum order of 500 pieces.

Stock Imprint Colors:

* Pantone Matching System Color Guide is used for all printing. Color shown in catalog may vary from actual printed colors.

Battery Life

All electric circuits are made in China and battery life may vary depending on cycle choice per user. The brightness of the LED light will continue to dim as the batteries run down. Depending on cycle choice tests show 7 - 12 hours of battery life.

Additional Notes & Policies

Product Care:

Please hand wash all products prior to first use. All products (except compartment drinkware) are top-rack dishwasher safe - however, to extend the life of your cup and imprint, we recommend hand washing with mild-detergent. Additionally, the use of harsh detergents and commercial dishwashers is not recommended. Remove electronic LED bases before washing.

Some product components may be imported from overseas.

Prices & product availability subject to change without notice.

All molded products are BPA & Phthalates Free, FDA, CPSIA and Prop 65 Compliant
