SUPPLYING ARWORK

ALL ART SUBMITTED MUST BE PC FORMATTED! Vectorized artwork is best for screen printing. Vector formats preferred are AI, .PDF or .CDR files. Your art should be converted to curves or outlines to avoid font problems. Adsun can also receive .EPS, FTP or Zip files. If poor quality artwork is submitted and approved, we will not be responsible for illegible prints or choppy edges.

***EMAIL:** send to art@adsuninc.com. (Preferred method)

***ON DISK:** CD, DVD or THUMB Drive.

***ON PAPER:** Must be printed from a high resolution printer. Crisp and clean edges are a must for quality printing. Art conversion charges apply.

***BITMAP OR RASTER IMAGE FILES:** Typically 600 dpi or larger in black can be used. These formats are JPEG, BMP, TIFF, GIF, PSD, PPT or DOC files.

***ART CONVERSION:** If the image does not meet quality printing standards you will receive a quote for an art conversion. Charges run \$46.25(G) per hour. Your authorization is required to proceed.

SIZING ARTWORK

All art positions and sizes should be stated on your purchase order. Otherwise artwork will be maximized for the items imprint area. WE HAVE SPECIFIC MAXIMUM DECORATION AREAS FOR ALL ITEMS, AND CANNOT EXCEED THOSE DIMENSIONS DUE TO REGISTRATION, DISTORTION AND SMEARING. You can send the art to size, or Adsun will size it for you.

ARTWORK MODIFICATIONS

Dye sublimation or decal printing may need art to be altered, due to the shape or taper of the specific item.

ELECTRONIC ART PROOFS

All artwork to be used in the production of your product will be emailed to you from info@adsuninc.com. There is no charge for first proof. Additional proofs may incur charges of \$7.50(G). An approved art proof is a binding contract stating the art has been reviewed, approved and ready to print. This is our authorization for processing your order and is considered final for invoicing purposes. **We will not be responsible for approved inaccuracies.** Production does not start until your art proof has been approved.

VIRTUAL ART PROOFS

Are available upon request in writing on your purchase order. If requested prior to receiving purchase order there is an additional fee of \$15.00(G). A credit for this fee will be applied to your order if the order is received with minimum purchase requirements and within 15 days of virtual art proof sent.

COLOR REGISTRATION

Fine detail or multi colored art may require the use of a high quality decal. These are a perfect solution when registration must be met and or fine detail must be retained. Our high quality decals are produced with organic or fired on inks. Decal orders require additional lead time and are subject to a 10% underrun. Minimum is 144 pieces. Pricing available upon request. Please send art to info@adsuninc.com for quote.

TYPESETTING

There will be a charge of \$15.00(G). Adsun will try to match fonts as close as possible, but cannot guarantee exact matches.
