General Information

Warranty

All of our products are designed for industrial applications. We have an unlimited customer satisfaction guarantee. If for any reason you are not 100% satisfied with your products, we will replace the mat or refund your money. The typical life expectancy for logo mats is 3-5 years.

100%
customer satisfaction

Shipping & Handling

Drop Shipping is available. For split shipments please add \$6.50 (W) per location. There are no additional charges for drop shipping to the same location.

F.O.B. Factory. We reserve the right to ship by the most beneficial means of transportation. Smaller orders will be shipped via Fed Ex or UPS Ground, and larger orders will be shipped via truck line carriers.

Please add \$2.10 (P) for individual boxing

Production Time

See individual pages. For special rush service, please contact customer service. Most logo mats ship within 5 business days once artwork and credit are approved.

Prices subject to change. Please check our website for current pricing.

Artwork Guidelines

Digital Art should be compressed and emailed. When artwork is emailed it must be indicated on your purchase order. The subject line of your email should include your purchase order number to ensure the proper art is matched to your order. Email art to artwork@logomatsinc.com.

Camera-ready art is preferred and defined as black and white line art that has sharp, clean lines, and is complete with text and graphics.

Acceptable File Formats

(PC Based Files Only)
CDR, PSD, AI, EPS, JPG, GIF, TIF, and PDF. (600 dpi Minimum)

Unacceptable File Formats

Macintosh Files, BMP, SIT, PICT, CGM, MS Word, MS Excel, PowerPoint or Lotus.

Variances

Sizes are not always an exact measurement and typically have a 3-5% variance due to the materials and manufacturing processes. Colors may not be an exact match of previous orders.

Imprint Methods

DigiPrint™ Logo Mats and Grand Impressions™ Logo Mats are created using a unique dyeing technology that digitally injects dye into a three-dimensional nylon fiber. This process is very similar to a four-color process, however there are 25 primary colors printed in dots per inch to generate the image.

Color Matches for DigiPrint™ and Grand Impressions™ PMS (Pantone Matching System) is used as a standard for printing on paper and other screen printed products using ink. These mats are created using a dye and we cannot guarantee an exact match, however in most instances PMS colors can be closely matched, with the exception of metallic colors. For orders that require a custom batch of dye there is a one-time charge of \$230.00 per color.

WaterHog™ Impressions mats are produced using a state-of-the-art digital printer with the capability to print up to 17 colors. PMS color matching is not available.

WaterHog™ Sculptures and Personalized Sculptures™ are created using a compression mold. PMS Color Matching is not available.

SuperScrape™ Logo Mats are created by molding an ultra violet protective thermoplastic material into a rubber base. PMS Color Matching is not available.

The National Floor Safety Institute was founded in 1997 as a non-profit organization whose mission is to aid in the prevention of slip-and-fall accidents through education, training and research.

Certified by the NWBOC (National Women Business Owners Corporation) as a woman-owned and woman-controlled business.

Lutratur®

Lutratur substrate will not fray, reduces linting, is very heat resistant and creates a strong bond between the rubber and carpet.
