DEPENDABLE, HIGH QUALITY LAMINATING SINCE 1977

Pride in performance has been important to us since our company's inception more than 3 decades ago. That's why *quality* has been the main ingredient in every product we produce and in every piece of equipment we sell.

Whether your requirements are custom wood plaques, heat seal laminating or machines and ID supplies, you'll get exactly what you need, and you'll get it *when* you need it!

Count on Fox for all your laminating needs.

WHY IS IT 'ALL ABOUT THE FINISH®?'

- Laminating lends a brilliant, crisp, clean and distinctive look to any image
- Laminating provides unique protection, permanence and durability
- Delivery is fast, dependable and on-time

Make Lasting Impressions with Laminated Plaques

From America's foremost plaque manufacturer

- ◆ No minimum order! ◆ 2 to 5-day turnaround!
- ◆ Guaranteed same day service available

Laminated plaques permanently protect and preserve virtually any document, turning it into a tasteful, aesthetically appealing memento. Fox combines old-time craftsmanship and advanced technology to create distinctive plaques designed to impress both presenter and recipient.

PLAQUE OPTIONS

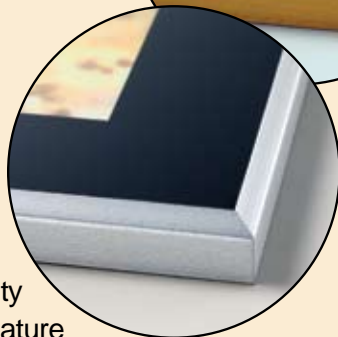

DELUXE

Custom-created to exact specifications from high-quality 3/4" hardwood stock. Feature deluxe beveled edge.

SLIMLINE

The trim looking alternative. Custom-created from high-quality 1/2" hardwood stock. Feature standard beveled edge. Same feature options as the 3/4" Deluxe version.

Both Deluxe and Slimline plaque models feature precision-manufactured beveled edge design with exacting corner seams. Choose from 5 beveled-edge colors: gold, silver, white, black, walnut.

Deluxe and Slimline plaques will accommodate documents up to 20" x 25".

AUTOGRAPH PLAQUES

Same quality 3/4" stock and beveled edge as Deluxe model. Features group photos positioned to allow space for indelible message writing below photo after the plaque has been manufactured. Ideal for honoring sports teams, bowling leagues, church groups, sales team contest winners, theater casts, retiring employees, social clubs, volunteer groups, family or friends relocating to another city.

Sign it at the event like a yearbook!

Left: Autograph Plaque before signing. Above: Autograph Plaque after signing. Includes free Sharpie®.

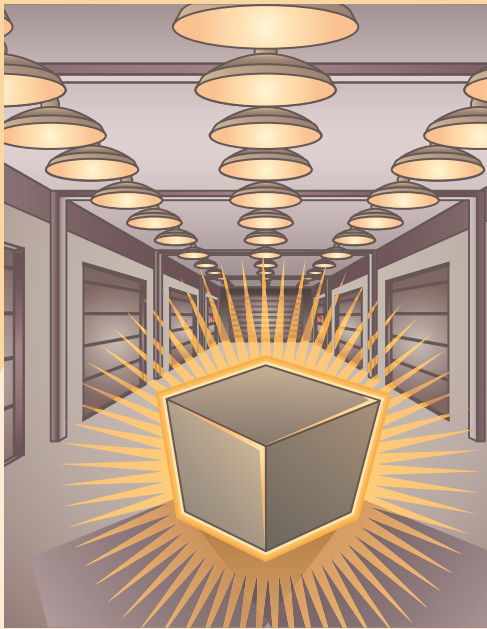

Laminated plaques offer dozens of *PROFITABLE APPLICATIONS*

- ◆ **Associations**
Membership certificates, achievement awards

SAMPLES AVAILABLE ON REQUEST

A Fulfilling Story...

“Sometimes the ability and flexibility to provide additional fulfillment services makes a huge difference, too!”

At Fox Laminating we say “It’s All About The Finish!” Certainly, finishing on-time with a high quality product is very important. But, sometimes the ability and flexibility to provide additional finishing services makes a huge difference, too! In the example below, think about how the services we were able to provide added to the end result, and think about how your business might be able to benefit from a similar experience.

The opportunity came to us through a Promotional Products distributor in New York City. Their client was a financial services giant. They wanted to laminate a large document so that it could be hung on the wall in each of their 700 offices nationwide. This was a \$40K+ business opportunity for the distributor.

The customer had the document printed and delivered to us (although that is a service we offer as well). The documents were about 18” x 24” in size.

Our job was to:

- ◆ Laminate the document into a plaque,
- ◆ Enclose a letter provided by their headquarters office,
- ◆ Individually pack each plaque,
- ◆ Using their spreadsheet of addresses, drop-ship and time them so that they all would arrive on about the same day, including Hawaii, Alaska and Puerto Rico.

At about that same time, the end customer used the same document as a full page ad in USA Today. They then followed-up with a conference call to all of the branch managers. What a great plan they had! Launch the new financial product to the public via the newspaper, and simultaneously launch it to their many offices with a letter, a plaque and a conference call.

We were proud to have been chosen to participate in, and facilitate the fulfillment of this endeavor. And the frosting on the cake...a nearly identical second order a few months later! Think about your customers; what projects are they doing that might be a fit for a service like this?

It’s about your customer, not about you.

You’ve heard that good news travels fast, and bad news travels faster. Keep your focus on your customer – what your customer thinks, what your customer needs, and how you can best serve your customer. And when you find yourself at odds with your customer, remember to
Win the customer, not the argument!

High School Trophy Walls

Trophy walls in the lobby of any American High School are about as common as hot dogs at a picnic! But, here's an opportunity that one distributor found to truly spice up the trophy display. Instead of just adding another few trophies for the latest group of home town athletes, they decided to bring their trophy wall into the 21st century!

A group of volunteers undertook the project to:

- ◆ Discard the old trophy case and the old picture frames,
- ◆ Create a new graphic/image to be used for every former and future recipient,
- ◆ Scan the old pictures and merge them into the new graphic image,
- ◆ With help from us here at Fox Laminating, select a color combination to be used on each new plaque that would complement the school's colors,
- ◆ Duplicate this effort on pictures of about 150 former students,
- ◆ Literally build a new wall and install lighting;
- ◆ Maintain the display by adding several new plaques every year.

What a tremendous job they did! And as you can imagine, we were proud to have been selected to assist in this project! Are there any high schools in your town?

Opportunities around every corner...

Laminating is a really cool thing! Don't think so? Just let your customers, family and friends know that you have a laminating machine and see how many of them will want to have something laminated! Show them a laminated plaque and see how long it takes them to remember the old diploma or newspaper article that they'd like to have made into a plaque! My point...there's a laminating opportunity at just about every door you knock on.

And it's not just a single plaque that you'll have an opportunity to provide. In your business as in ours, we're happy to get any business. But,

what really makes our day is finding a new customer who will call us again and again. Laminated plaques provide just that sort of opportunity.

Imagine one of your medium to large business clients. They may want a plaque for their employee of the month. Next it's 30 plaques to be drop-shipped to that recent class of reps or distributors who came to the headquarters for training. In the summer, there's the golf outing the company is sponsoring and needing several dozen plaques for winners of the various events.

Laminated plaques offer the ability to display full-color documents

and articles and to surround them with a matching color and bevel. They offer the ability to showcase a company, school or organizations colors. And what's better than having them call you time and again as each new opportunity comes along; kind of like the reoccurring payments of an annuity! It's your chance to again sell some plaques, and to discuss all the other things in your bag of products. Laminated plaques will get you in the door and keep you coming back again and again.

Beauty, Quality, and Permanence!

Walnut ♦ White ♦ Blue ♦ Black ♦ Red ♦ Green ♦ Burl ♦ Oak ♦ Mahogany

BACKGROUND COLORS

Select from 9 distinctive colors and wood-tones (Refer to Color-Bar above)

BEVELED EDGE COLORS

Select from 5 attractive colors: (Refer to Color-Bar above)

- gold
- silver
- white
- black
- walnut

TRIM BACKING

Backs and “trims” your document or photo. Usually matches the color of the beveled edge.

SURFACE FINISH

Surface-finish options available:

- Gloss
- Matte

PLATE OPTIONS

- “Engraved Plates” or Printed “Quick Plates” on metalized foil.
- All plates can be either silver or brass.
- Engraved plates can be mounted with a double-plate.
- All engraved plates can be from your text/graphics submitted via email.
- Quick Plates can only accommodate text.
- Engraved plates can be made as black lettering on Silver or Brass, or in reverse (i.e: brass lettering on black, or silver lettering on black.)

See ordering option D on Page 5

	SINGLE PLATE	DOUBLE PLATE
Brass Engraved	(P01)	(P02)
Brass Engraved (Reverse)	(P03)	(P04)
Silver Engraved	(P05)	(P06)
Silver Engraved (Reverse)	(P07)	(P08)
Brass Quick Plate	(P10)	N/A
Silver Quick Plate	(P20)	N/A

ORDERING INFORMATION

The information, below, has been designed to make it fast and easy for you to order your laminated plaques. Simply reference the coding chart to specify the features you'd like applied to your customized plaque.

ORDERING EXAMPLE

D1-GGG-P10E – represents a Deluxe model plaque (**D**) with a 1-to-50 square-inch document (**1**) on a Green background (**G**) with gold trim and beveled edge (**G**), glossy finish (**G**) and name plate (**P10**), and easel (**E**).

MODEL (SEE P2)	DOCUMENT SIZE <i>(In Square Inches)</i>	BACKGROUND COLOR	TRIM & BEVEL COLOR <i>(They usually match)</i>	FINISH	OPTIONS <i>(List all that apply)</i>
D= Deluxe	1 = 1-50	W = Walnut	W = Walnut	G = Glossy	C = Hanger Cord
A= Autograph	2 = 51-100	M = Mahogany	G = Gold	L = Linen	E = Easel
S = Slimline	3 = 101-150	K = Oak	S = Silver		P(X) = Name-plate (See Page 4)
	4 = 151-200	B = Burl	E = Black		S = Exact size
	5 = 201-250	E = Black	J = White		T = Double Trim
	6 = 251-300	R = Red			1 = 1 to 3 doc's
	7 = 301-350	U = Blue			4 = 4 to 5 doc's
	8 = 351-400	G = Green			6 = 6+ doc's
	9 = 401-450	J = White			
	10 = 451-500				

Square Inch Calculator

Use this handy calculator to determine the Square Inch Size of your document. (Note: the largest document size we can accommodate is 20" x 25".)

OPTIONS AND ORDERING INFORMATION

PRODUCTION TIME

Normally 2 to 5 business days following receipt of materials. Guaranteed same-day service available at double-charge.

SPECIFICATIONS

1. NO MINIMUM ORDER REQUIRED.
2. Each plaque is custom-cut creating a border of approximately 1-1/2" including the beveled-edge on all 4 sides.
3. Exact sizes on repeat orders cannot be guaranteed. Specific sizes can be produced at an additional charge. Tolerance will be +/- 1/4" on outside dimensions.
4. Maximum document size is 20" x 25".
5. We cannot place your order into production until all documents and details have been received. Order forms are available upon request. (See page 7).
6. Caution: Our process involves heat and pressure. Raised seals may flatten and colors may shift slightly. Blemishes, invisible prior to laminating, may appear in the finished product.

SAMPLES

FREE sample plaques and Color-Bars are available upon request.

PACKAGING

All pricing assumes bulk packaging. Each plaque is individually protected in a poly bag. Shipping is in non-reusable cardboard packages.

SHIPPING

1. See pricelist for detailed charges.
2. An additional charge will apply if individual packaging is required.
3. Additional freight charges apply for non-continental US shipments.
4. Additional freight charges apply for shipments to residential addresses.
5. Customer must supply pre-addressed labels for individual drop shipments. Customer is responsible for incorrect addresses or returned product.
6. A flat-rate charge reflecting time and materials will be

assessed for shipments using your carrier's account – such as UPS, FEDEX, etc.

7. FOB Factory.

OPTIONS AND PERSONALIZATION

1. **A Hanger Slot** is included on all plaques at no additional charge.
2. **Personalized Name-Plates** are available options. (Refer to page 27 for electronic submission of Text and/or Graphics.)
3. **Multiple Documents** – up-to 3 documents at no additional charge.
4. **Certificate Personalization** – quotation available upon request.
5. **Color Copies** are available at an additional charge. Maximum size is 11" x 17". A copy may be required if the paper or ink/toner of your document is incompatible with the heat and pressure of the laminating process. Newsprint, glossy photos and coated papers are examples that often need to be copied.
6. **Electronic Document Submission.** Digital Output is available at an additional charge.
7. **Extra Border**, such as space required for an engraved plate, increases the square-inch pricing.
8. **Recommended Document Paper:**
 - 80 lb cover or 110 lb index
 - Smooth, uncoated stock

- permanent notice postings
- luggage tags
- locker tags
- posting of workplace, locker room and poolside rules
- backstage passes
- media credentials

- Standard pouch sizes and ID hardware are always in-stock
- Pouch imprinting available (see Page 11)
- Same-day shipping standard on most items
- Custom pouch sizes and thicknesses available by special order.

Laminating Pouches

Custom Sizes Available!
3-day turnaround! Any size to 12"x18"
Call us with your requirements today!

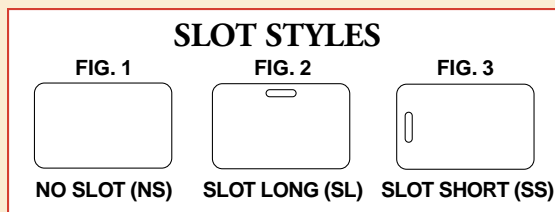

Horizontal Pouches

Vertical Pouches

General Pouch Information:

- Allow 1/8" clearance on all sides of your paper insert. For example, a paper insert to be enclosed in a business card pouch 2-1/4" x 3-3/4" should be no larger than 2" x 3-1/2".
- Thickness is expressed per-side. Double for total thickness after laminating.
- Special sizes and thicknesses are available on request.
- 10-mil thickness is recommended for extra reinforcement on all slotted pouches.

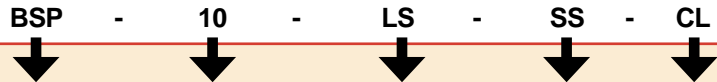

A Variety of Colors

Dependable, Versatile Table-Top Laminators

◆ *Do-it-yourself* ◆ *User-friendly*

Make your business more profitable by effortlessly expanding the types of services you offer. Our low-cost, light-weight, space-efficient table-top laminators offer almost limitless profit opportunity. They permanently preserve ID and membership cards, name badges and valuable documents and photos in clear, durable, protective plastic.

When your customers discover your laminators' versatility, they'll immediately think of dozens of items they'll want laminated.

PRODUCT FEATURES

- Portable, lightweight for anywhere use.
- Functional simplicity -- no special operating skills required.
- Brief, 3-minute warm-up time.
- Items slips easily into pre-cut pouches.
- Three to 10 laminations per minute (based on model).
- No after-trim or material waste.
- Low material cost; high retail value.
- Unconditional 5-year warranty
- No minimum order for laminating supplies.

WHAT'S IN IT FOR YOU?

- Products are self-sellers.
- Little or no instructional assistance required.
- Customer endorsed.
- A variety of models for response to a multitude of customer needs.

**NO MINIMUM
ORDER**

**5 Year Warranty
on all Industrial
Models!**

An endless variety of *LAMINATING APPLICATIONS!*

- Attract trade show visitors by converting their business cards into laminated luggage tags. Allows you to be proactive and see many more booth visitors. (See Page 20.)
- Create employee and attendee name badges for business meetings and events.
- Produce tamper-proof ID's and membership cards.
- Protect printed material and important documents from damage and wear.
- Provide durability and aesthetic appeal for counter cards, price lists, specification sheets and menus.
- Provide longevity for certificates, diplomas and awards.
- Preserve newspaper articles and recipes.

MODEL 6000**

**PROFESSIONAL
MODEL 7000**

PHOTOPRO 100

Models 5000, 6000, 7000 (unconditional 5-year warranty!)

Preferred by Professional Laminators.

Our 'industrial strength' models are designed to respond quickly and efficiently to a wide variety of laminating needs -- limited only by the user's imagination.

Professional models 5000, 6000 and 7000 feature:

- vinyl-clad sheet metal and rigid aluminum construction.
- totally enclosed gear box motors and moving components -- for safety.
- durable, molded silicone rollers.
- permanently lubricated bearings.
- forced-air cooling.
- adjustable temperature levels.
- unconditional 5-year warranty.

PhotoPro 100:

- the ultimate economy laminator.
- ideal for short-run, fast-turnaround and last-minute needs.

All models are 110 volts, UL Listed, CSA approved and American-made. Professional models also available in 230-volt version without additional charge.

CARRYING CASE

For convenient carrying of models 5000 and 6000.

Model C100

The Trade Show Traffic Stopper!

**Unconditional
5 Year Warranty!**

- A proven, proactive attention-getter.
- Attracts and sustains your prospect's interest.
- Promotes spontaneous interaction between show attendees and your booth personnel.
- Allows you to instantly place personalized material in your prospect's hands.

VERSATILE!

- Produces name tags for trade show, conference and meeting attendees
- Laminates prospect's business cards to create complimentary luggage tags
- Produces tamper-proof ID's, security badges and membership cards
- Instantly produces Rolodex®-style cards from ordinary business cards.

**Your logo
imprinted on one side
of Pouch**

Here's how it works...

1. Invite pre-registered guests via email to visit your booth for a free luggage tag.
2. Promote your own products while they wait for you to laminate the tag.
3. Your logo will be attached to their bag for years to come!

TAB Laminating and Cutting

Choose from standard clear tab lamination, or brighten up your printed material with one of our many colors.

Tabs can be custom ordered to any length!

Tab laminating and cutting is available in clear or colored tabs. Standard colors available are listed below. Tabs can be laminated in one color for the entire set, or a different color for each tab. Sets can consist of a single bank of tabs, or of multiple banks. Printed page-sets provided by the customer. We can laminate just the tab, or the entire sheet.

Samples and quote available upon request.

ADDITIONAL INFORMATION

If tabs are to be multi-colored, a separate chart listing tab number/name and color must be supplied.

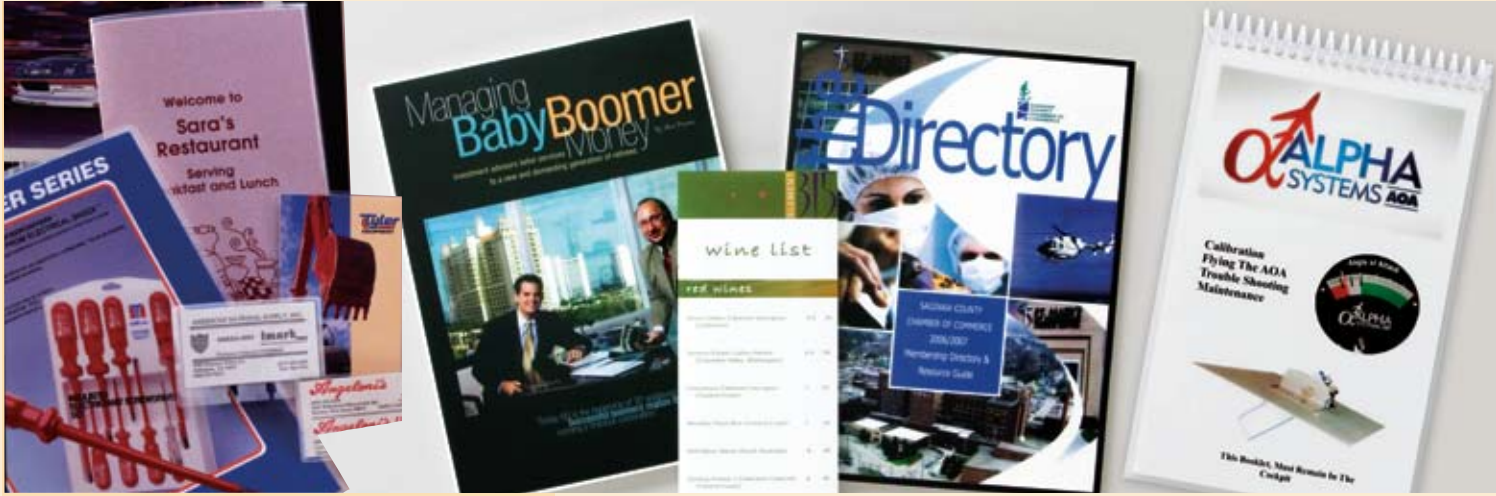

COLORS AVAILABLE

Black, Brown, Red, Orange, Yellow, Green, Blue, Violet, Gray, White

TAB SIZES

Tabs to a Bank	Tab Size
4	2-1/2"
5	2"
6	1-5/8"
7	1-3/8"
8	1-1/4"
9	1-1/8"
10	1"
11	7/8"

Polyester Two-Sided Heat Seal Laminating

Document protection using general purpose laminating film. High clarity, glossy finish and excellent adhesion to a wide range of substrates. We offer a variety of finishing options. Standard process is for two-sided applications.

Custom assembly also available.

Sample Card Sets containing 1.5, 3, 5, 10 & 15 mil cards are available by request

OPTIONAL FINISHING SERVICES AVAILABLE

- **Edge Seal:** No extra charge. Must be specified in advance. Common production method yields approximately 1/8" seal of clear plastic around edge of document.
- **Matte Finish**
- **Corner Rounding**
- **Grommets**
- **Backing Sheet**
- **Scoring**
- **Easels**
- **Hole-Drilling & Punching**
- **Cutting**
- **Die Cutting**
- **Flush Cut or Edge Seal**
- **Spiral Binding**

 - **ad reprints**

NOTES THAT APPLY TO ALL HEAT-SEAL LAMINATING

Production Schedule

- Normally two business days (often less) after receipt of materials.
- Same-day service subject to surcharge.

Size Limitations

- Maximum width 58". No limit on length.

Miscellaneous

- Unless specifically requested, quantity run will be the ordered quantity +/-10% as per industry standard.
- Thickness and stiffness may vary depending on the paper stock used.
- Setup Charges apply.
- High quality film used for superior rigidity.

Helpful Hints

- Avoid very thin papers to prevent buckling.
- Provide a rule-out with side-guide & gripper clearly marked for jobs requiring cutting after laminating.
- Print multiple-up for flush-cut jobs whenever possible.
- Use heavier papers to maximize stiffness.

Counter Cards

*Rigid GatorBoard® , Foamcore®, 10 and 15-mil Laminated Counter Cards
Don't let your branding take a back-seat!*

POP Attention-grabber for enhanced brand awareness when your customers are in a captive position! Seize the Moment!

You've invested heavily in your ad; let Fox provide the finishing touches!

WE MAKE YOU LOOK GOOD!

- ◆ Crisp, fresh look
- ◆ Economical
- ◆ Edge-sealed or flush-cut
- ◆ GatorBoard® and Foamcore® backings
- ◆ 10-mil and 15-mil 2-sided laminate
- ◆ Excellent clarity
- ◆ Single or double easel included
- ◆ Applications include point-of-purchase and trade show advertising

Here's how it works...

1. You provide a quantity of "backing sheets." As shown above, this is a large blank sheet containing "As see in" and your logo.
2. Each time you order, you ship or email the ads to us. As shown above, this is the "Binding Edge" document.
3. That's it! Fox will do the rest!

NOTES:

1. GatorBoard® is a registered trademark of International Paper Company.
2. Foamcore® is a registered trademark of Monsanto.

- RC	Round Corners (10 and 15 -mil only)
- DB	Double Backing

Notes:

- Standard turnaround time is 5 days.
- Glossy finish & square corners are standard.
- Setup charges apply.

COUNTER CARDS

PREPARING ORDERS

- Please provide a list of ads to be laminated with your order. A highlighted list of ads from the index will suffice.
- Place a small Post-It® note in the center of the ad or mark the backside of each tearsheet with an “x” in pencil indicating ads you want mounted and laminated. This is so we can tell which side of the tearsheet should face out when the counter cards are manufactured. Indicate, on each post-it note or on a separate list, the quantity of counter cards that should be produced.
- Ads should be cut out of magazines. If you do not final trim ads to size, leave a minimum of 1” around the ad to allow us to trim. We will square the ads before mounting them onto the backing sheets if you have not done so.
- Backup copy of ads should be sent with each order. One or two bound copies of the magazine will suffice. Extra backing sheets are always appreciated. Backing sheets can be stored at Fox Laminating for future orders.
- Please provide specific directions for special layouts. A photocopy of a rough layout is fine.

SHIPPING

- Fox Laminating can drop ship your order to your hotel or show location, or to advertisers. Please provide pre-addressed shipping labels when drop shipping to advertisers.
- Although your shipment can be sent via the method of your choice, we recommend overnight or second day air service for trade show deliveries.

IMAGE REQUIREMENTS & SPECIFICATIONS

The following guidelines are provided to assist you in submitting images that ensure satisfactory and timely completion of your order. Submitted images are used “as-is”. We expect that the copy you submit is correct and to your satisfaction.

Submitted Images: Electronic or Hardcopy images require no retouching and are complete with text and/or graphics. Black and white copies printed at 300 dpi or higher are usually acceptable for hot-stamping. Black and white or color images printed or electronically submitted at 300 dpi or higher are usually acceptable for use on plaques.

We expect that you have proof-read your documents before sending to us and that they are correct and ready for immediate processing.

Original hardcopy images are returned if you requested us to make a copy.

Graphic Design: We do not generally supply graphic design services. An additional charge will apply for any image touch-up or modification. Examples include:

- Name insertion
- Adding or modifying text
- Any graphic modifications

Typestyles: If we set type for any portion of your order, we will match the typestyle requested as closely as possible using fonts in our system.

Digital Files: We accept images submitted on CD's, via email or from your FTP site. Regardless of how images are submitted, please include your purchase order to speed the order and eliminate duplication.

Send Electronic Images to:
graphics@foxlaminating.com

Depending on the image being submitted, we can accept digital files from most Windows-based programs including:

- Adobe Illustrator
- QuarkXpress
- Adobe Photoshop
- Corel Draw
- Adobe Acrobat

File formats: We are Windows based. All fonts must be converted to curves/outlines. Acceptable file formats include, but are not limited to: EPS, PDF, JPG, Quark, AI or any Word/Microsoft document file. You are encouraged to use PDF or EPS whenever possible.

Some acceptable formats: EPS, PDF, JPG, Quark, AI or any Word/Microsoft document.

Cautions:

- Our process involves heat and pressure. Seals may flatten and colors may shift. Also, blemishes may appear that were invisible prior to laminating.
- Color copies available (11" x 17" max.) may be required if the paper, ink or toner is incompatible with the heat and pressure of the laminating process.
- Images cannot be used or may produce poor quality output if:
 - Faxed
 - Soiled, smudged, torn, or bent

GENERAL INFORMATION

NORMAL PRODUCTION TIME:

Plaques: 2-5 business days; Guaranteed same-day service available at double-charge.

Counter Cards: 5 days;

Heat-Seal Film Laminating: 1-5 days.

ID Supply items: Same-day (except imprinted items which typically require 5-7 business days).

Production time begins the day usable images (hardcopy or electronic file), purchase order and open account status or prepayment have been received.

PMS MATCH: Because you supply the document, Fox plaques use documents supplied by you, or use documents printed directly from your electronic files. We print files and laminate documents as-received. Any Fox items that require imprinting use colors as described in this catalog. PMS matching is not available on any product.

SLIMLINE PLAQUES: Available with same options as Deluxe plaques. No Minimum-Order. Straight edge. 1/2" hardwood stock.

LAYOUT INSTRUCTIONS: Please include specific instructions with your order (for example, quantity, style, extra space for plates, multi-document placement, etc.) Please do not refer to an old purchase order.

PROOFS: Proofs are not applicable to plaques because they use your own documents. A proof will be provided at no-charge for most imprinted items such as some ID Supplies. Additional proofs required due to your changes to the originally submitted image(s) may result in a proof charge (price, if applicable, will be supplied before work is performed).

EXACT SIZES: Exact sizes of plaques on repeat orders cannot be guaranteed. Specific sizes can be made at an additional charge.

PLAQUE BORDER: Each plaque is custom cut allowing a border of approximately 1-1/4" including beveled edge. Extra border such as for an engraved plate raises price to next level.

SAMPLES: Samples of small quantities (using a Fox document when applicable) are available and are shipped via Ground Carrier at no charge. Customized sample plaques are available at no-charge for plaque orders of 50 or more. Expedited shipping of samples will require your carrier account number or S&H payment for shipment by carrier of our choice. Please fax or email all sample requests.

NORMAL PACKAGING: Bulk. Individual display or re-shipment boxes are not provided except by special order.

F.O.B.: Factory.

PURCHASE ORDERS AND IMAGES: Please proofread images, lists of names and text submitted before submitting to the factory. We are not responsible for spelling errors, layout omissions or conflicting information. The factory is NOT responsible for misinterpretation of handwritten orders, or orders received via fax or phone. Please include a copy of the image with the purchase order if the actual image is being sent electronically. The factory is not responsible for errors or duplication due to electronic submission of images without an accompanying purchase order. To insure rapid turnaround, please supply immediate-access phone number with all orders (cell-phone if necessary).

REPEAT ORDERS: To ensure exact duplication of a previous order, all pertinent information must accompany the new order. Product number, item color, quantity, imprint color, and invoice or purchase order number of previous order must be included. Factory will not be responsible for any information left off the reorder.

RETURNS: All products are guaranteed against defects in material and workmanship. Claims must be made within 30 days of the invoice. No returns will be accepted without prior authorization. Factory's liability shall be limited to a refund or replacement of the product (at factory's option). A 15% restock fee may apply.

PLAQUE ORDER ACKNOWLEDGEMENT: Please do not request shipment acknowledgement unless you suspect that your order is late. We pride ourselves in providing streamlined turnaround (usually 2-5 working days). Our internal process for plaques does not make status available until the day your product is finished and shipped. If you must track an order, please track your incoming package first.

NEW ACCOUNT/CREDIT TERMS: Net-10 to well-rated companies. All new accounts must be accompanied by a check or credit card information for the full amount of the order and estimated shipping. PAST DUE balances will affect the processing of your orders. We accept Visa, MasterCard and American Express.

TRADEMARK NOTICE: Imprints and logos shown on products in this catalog are for illustrative purposes only and do not indicate actual use or endorsement of that product by the advertiser.
