S280
2 1/8" x 3 3/8"
(credit card size)

Gooden's Creamy Chicken & Rice Casserole

Ingredients

- 2 (8 ounce) packages uncooked long grain and wild rice
- 2 cups cooked, cubed chicken breast meat
- 1 (10.75 ounce) can Gooden's Cream of Mushroom Soup
- 1 (4 ounce) jar dried pimento peppers, drained
- 1 onion
- 1 cup shredded Cheddar cheese, divided

Directions

1. Preheat oven to 300 degrees F (150 degrees C). Prepare rice according to package directions.
2. In a medium bowl, toss together the cooked chicken, prepared rice, soup, pimentos, and onion. Transfer to a lightly greased 8x13 inch baking dish. Stir in 1/2 cup of the cheese, then sprinkle the other 1/2 cup of cheese on top.
3. Place in preheated oven briefly, to melt.

Moving Tips

- 1 Make a list** of everything that needs to be done.
- Have **plenty of supplies:** boxes, bubble wrap, tape, labels, marking pens, etc.
- Color coordinate.** Designate a color for each room in the new house, then, put corresponding colored stickers on the boxes. This will help movers know where to put the boxes in the new home.
- Keep things together.** For example: keep light bulbs with lamps, picture hooks with pictures, and extension cords with appliances.
- Pack well ahead** of the moving date.
- Put together a **kit of basic cleaning supplies and rags** so you can clean after rooms are emptied.
- Keep valued items** and papers with you.
- Make sure **"must have" items** (phone, towel, toiletries, etc.) can be quickly accessed once you're in your new home.

Heart Attack

Symptoms/Warnings

- Uncomfortable pressure, fullness, squeezing or pain in the center of the chest, lasting more than a few seconds.
- Pain spreading to the shoulders, neck or arms—may be located in the chest, upper abdomen, neck, jaw or inside the arm or shoulders.
- Chest discomfort with lightheadedness, fainting, sweating, nausea or shortness of breath.
- Anxiety, nervousness and/or cold, sweaty skin.
- Increased or irregular heart rate.

All symptoms occur in every attack. They may go away and return. If any occur, get help fast.

Call 9-1-1 or your Emergency Medical Services and get to a hospital right away!

Car car signs magnets are made adhered to the highest industry standards for safe outdoor use. Please apply to a clean, waxed and dry surface, leaving no air pockets between the sign and vehicle. Remember to remove weekly for surface cleaning and always take care of your car wash. Product may vary with outdoor conditions such as but not limited to, extreme heat, ozone and direct sunlight, with exposure to salty air. Not recommended for placement on repainted surfaces or loads.

"REMOVE WEEKLY FOR SURFACE CLEANING,"
will be automatically added to every car sign.

Prices in this catalog are effective at time of publication. Current product pricing is available on our web site and industry specific search tools that provide supplier certified pricing and these prices will prevail.

Note: All products and photos with trademarks or logos used in this catalog are to show art and imprint reproduction capability only. They do not imply an endorsement by holders of such trademarks or designs. They are not meant to be advertisements, nor are these items for sale to anyone other than parties expressly authorized by the owner of such trademarks and logo designs.

Our car sign magnets are manufactured to the highest industry standards for safe outdoor use. Please apply to a clean, waxed and dry surface, leaving no air pockets between the sign and vehicle. Remember to remove weekly for surface cleaning and always before entering a car wash. Product life may vary with outdoor conditions such as but not limited to, extreme heat, continuous direct sunlight, and/or exposure to salty air. Not recommended for placement on repainted surfaces or hoods.

"REMOVE WEEKLY FOR SURFACE CLEANING."
will be automatically added to every car sign.

Prices in this catalog are effective at time of publication. Current product pricing is available on our web site and industry specific search tools that provide supplier certified pricing and these prices will prevail.

Note: All products and photos with trademarks or logos used in this catalog are to show art and imprint reproduction capability only. They do not imply an endorsement by holders of such trademarks or designs. They are not meant to be advertisements, nor are these items for sale to anyone other than parties expressly authorized by the owner of such trademarks and logo designs.

For silkscreen magnets, please see General Information. (Not available on WORD02B-K.) Price reflects stock words printed in same color as ad copy.

- Each item features full magnetic backing and is kiss cut so magnets are easily pulled apart. (S205 is not kiss cut.)
- Create your own custom copy! If customer supplied artwork fits our templates, there is no additional charge!
- Art time required to typeset words will be billed accordingly.
- PBC1 and PBCJ1 are kisscut and individually polybagged, not torn apart.

PMS COLOR MATCH:

Please see General Information.

IMPRINT AREA:

For WORD02, refer to templates. For all other items, see General Information.

STANDARD MATERIAL THICKNESS:

Approximately .020 total thickness. For .030 thickness, add .06 (C) per piece.

COPY CHANGES:

\$20.00 (G) per change in EQUAL increments. Catalog minimums apply per version.

STANDARD PRODUCTION TIME:

PBC1 and PBCJ: 7 business days after artwork is approved.
Other items: 5 business days after artwork is approved.
Proof time additional.

Warning: Choking hazard - contains small parts - not intended for children.

DID YOU KNOW?

70% RECYCLED MAGNET

Magnets, by weight, are 70% strontium ferrite. This material is a by-product of iron oxide created during the steel making process and therefore, recycled material.

30% RECYCLED PAPER SUBSTRATE

In addition to the magnet's recycled content, we use a paper substrate made from 30% recycled material.

Prices in this catalog are effective at time of publication. Current product pricing is available on our web site and industry specific search tools that provide supplier certified pricing and these prices will prevail.

Note: All products and photos with trademarks or logos used in this catalog are to show art and imprint reproduction capability only. GUIDELINES FOR STEP 4- SUPER SEAL POSTCARD

**If mailing from your local post office, we strongly recommend you check with them on their guidelines.*

Postal Information

Understanding Postage Permits

3/5 Digit Presort - Your customers' mailings will get the best postal rates when their list is presorted as 3/5 digit. This means that your mailing list is presorted either by the first three digits or by all five digits of the zip code.

Permit Indicia - All postcards will be mailed from the post office or mail house where the indicia (permit imprint) was issued. Customers must have their permit number included in the indicia and it must be printed on the return address side of the Smartline Card. If you use our Permit numbers, they will be mailed from St. Louis, MO.

Magnet LLC Mailings - If Magnet LLC processes the mailing we will use our permit number and all postage must be paid in full prior to mailing.

Postage listed below is approved for Stock Superseal, Stick-Up and Perfcards. For custom cards and Side Pack cards, call Customer Service for quote.

First Class* (up to 1 oz.)

Per piece letter rates (minimum to mail: 500 pieces)

Smartline Card Size	Non-Auto	Non-Auto	Automation
	Basic	Presort First Class	Basic
Minimum size: 3½" x 5"	.45	.424	.404
Maximum size: 6¼" x 11½"	.45	.424	.404

Standard Mail (A)* (up to 3.3 oz.)

Per piece letter rates (minimum to mail: 200 pieces)

Smartline Card Size	Non-Auto	Non-Auto	Automation
	Basic	AADC	Basic
Minimum size: 3½" x 5"	.281	.285	.278
Maximum size: 6¼" x 11½"	.281	.285	.278

*Rates are subject to change without notice. Final rates are determined upon receipt of mailing list. Rates are effective 1/22/12.

Frequently Asked Questions...

Do I need my own postage permit?

If we are mailing your postcards you are welcome to use our permit. We will add our permit information to your design prior to printing. If not, indicia information will need to be acquired. If Magnet LLC processes the mailing for you, we are required to use our permit numbers.

Where will my postcards be mailed from?

All of the postcards we mail are mailed from the main Post Office in St. Louis, MO. If you, or a mail house, are preparing the mailing, postcard will be dropped in the city the indicia was issued. If mailing from your local post office, we strongly recommend you check with them on their guidelines.

How long will it take for my postcards to be delivered?

If you select First Class Mail, your postcards will typically be delivered in 3-5 business days. If you select Standard Rate, your postcards will typically be delivered in 7-10 business days. Where the delivery actually falls in this range depends on how far from where the postcards are mail dropped, to where the recipient is located.

If Magnet LLC processes the mailing, can I mail the extras using the permit?

No. Unfortunately, even though the permit information says "US Postage Paid" it isn't actually paid until we deliver them to the post office. If you put them in a regular mailbox they will not get delivered. However, you can cover the permit information with a stamp and then mail them.

How should the mailing list be provided?

All mailing lists must be updated within 90 days prior to the mailing date. Lists must be updated using an approved Postal Service method such as NCOA or Fastforward. We can provide this service for \$150.00 (G). If the list is submitted on pressure-sensitive labels, we charge .10 (E) each to attach to Smartline Cards in catalog quantities. Non-profit mailing call for quote. If the list is provided on disk/email, add .10 (E) each to print and attach labels in catalog quantities. The labels need to be submitted in accordance with USPS regulations. For the best postal rates, make sure labels are presorted in zip code order. If mailing list is submitted on disk/email, be sure it's in ASCII text format including a sample of 25 records of the file. Excel spreadsheets are acceptable. Please submit lists to Customer Service; do NOT send with art files.

General Information

ORDER INFORMATION

- All orders are subject to acceptance by Magnet LLC™
- No verbal orders accepted.
- All orders written without pricing will be processed with Magnet LLC™ current pricing.
- All prices in this catalog are subject to change without notice.

E-mailed Orders

E-mailed orders should be sent to orders@themagnetgroup.com. Do not submit artwork with your order. Art can be sent to art@themagnetgroup.com, referencing your PO#.

Faxed Orders

Faxed orders are considered originals and will be processed as such. Due to rough transmissions, faxed orders or changes to orders may be difficult to read. Magnet LLC™ is not responsible for any copy misinterpreted when received by fax. Providing confirmation of this information by e-mail to Customer Service is recommended to prevent interpretation of copy error.

Less Than Minimum Quantity

Call factory for quote.

Co-op Program

Please call factory for price information. All co-ops must be factory authorized to ensure proper billing. Co-ops must be established and verified before first order is submitted. Purchase order must indicate co-op program and co-op quote number when submitted. If not, standard catalog charge will apply. Coupons or discounts cannot be applied to co-op orders. Co-ops not to exceed maximum catalog quantities.

ART REQUIREMENTS

Please submit original art files to: art@themagnetgroup.com. If revised art is sent, it is the customer's responsibility to advise Customer Service of the new art. When new artwork is submitted a \$10.00 (X) charge will be applied. Changes to previously sent art must be sent to Customer Service to ensure use of new art.

We accept electronic artwork on CD, DVD and e-mail (file size permitting). We have an FTP site available, please call for log-in details.

- Be sure to send all linked files, including all TIFF and EPS files for artwork placed in your document even if previously embedded, as well as all printer and screen fonts used.
- Send only original, native vector files.
- All RGB defined colors and files must be converted to CMYK for four-color process production.
- Convert fonts to outlines or paths.

We support the following software for Macintosh:

- Adobe Illustrator
- Adobe Photoshop
- Adobe Acrobat
- QuarkXPress
- Adobe InDesign
- Adobe PageMaker

Acceptable File Types:

- Vector (preferred)
- TIFF (minimum 300 dpi resolution)
- EPS (minimum 300 dpi resolution)
- JPEG (minimum 300 dpi resolution)
- PDF (Press Quality)
- ZIP (compression file)
- Stuffit (compression file)

Micro soft electronic files generally are not acceptable as output for print production. However, black-and-white files can be output from a high-quality laser printer and then used as camera-ready artwork.

Camera-Ready Artwork

Camera-ready art is artwork that can be scanned without further preparation or changes. Halftones (screens) will not photograph well and should be avoided. We will accept camera-ready artwork that is already separated or that includes black line work (or key lines) to separate each color. "Camera-ready" art should be clean, black, and crisp on a smooth white background that requires little or no touch-up. (Original art or PMT's are best.) Artwork must be submitted 1/4 of the finished printed size (for large prints) or large enough to fit on 8.5" x 11" page size. Please avoid submitting artwork that must be enlarged more than 400%. If appropriate quality or size specifications are not met, an art charge will apply. This will be determined once artwork is received.

The Following Artwork is Not Camera-Ready:

Drawings, letterhead, photocopies, business cards, faxes, and low resolution laser printed artwork that is not 1200 dpi are not considered camera-ready artwork. (Recommendation: Black and white 1200 dpi laser prints at 200% larger than a dual size to be imprinted.)

Hard Copies

Hard copies are not required on every order, however on the hard copies we receive Magnet LLC™ will review but will not proof against electronic art sent. Magnet LLC™ offers several types of proofs that can be done if needed (additional charges may apply).

Art Charges

If art requirements are not met, art time will be billed at \$40.00 (X) per hour. Factory WILL NOT be responsible for charges due to "clean-up" or "rework" deemed necessary to meet production standards.

Photo Scans

\$30.00 (C) per scan up to 8.5" x 11" size. For larger photos and transparencies/slides, call for quote.

Typesetting

We will typeset up to 3 lines for FREE. All other typesetting (including copy changes, postcard copy, curved copy, schedules, and word magnets) will be billed as needed at \$40.00 (X) per hour. The typestyle must be indicated, or it will be left to the discretion of the typesetter. Charges less than \$40.00 will be processed without notification.

Type Size

- Minimum type size: 6 point.
- Small registers and demarks with fine lines may appear as a dot on product.

Serif Fonts

- Please avoid using fine serif fonts. These fonts are usually too thin and fill in or lose detail in the printing process.
- Avoid using serif fonts in four color reverse copy areas.

Line Thickness

- Minimum line thickness: .5 point.
- 1 point minimum line thickness for reverse copy or art.

Bleed

Bleed (art intended to print to the edge) must extend 3/32" outside cut line. Art not intended to print to the edge must remain 3/32" inside cut line.

Imprint Area/Live Copy

Due to variances in cut, all copy must remain 3/32" inside cut lines.

Halftones

- Halftones are made up of dots and are not recommended for type.
- Digital art: Halftones must be between a 5% to 90% screen.
- Silk Screen art: Halftone must be between a 30% to 70% screen. Avoid graduated halftones.
- Offset art: Gradient halftone range 2% to 100%. Screen tint range 10% to 90%.

Colors

- All RGB colors must be converted to CMYK for four-color process production.
- Metallic and fluorescent colors are not available on digital art.

Additional Art Requirements

- Silk Screen
 - Butt register not recommended. Please call for assistance.
 - Trapping: 1 point minimum. If art is too fine we will overprint. Trapping may cause a color change where colors meet.
 - Overprinting: We use UV inks, which are somewhat transparent. When overprinting 1 color on top of another the appearance of colors may change. Keep this in mind when creating fine details. Black, however, will cover everything.

Helpful Hints

- EPS (Encapsulated PostScript) file format is used to transfer PostScript image information from one program to another. The file includes PostScript code plus a low-resolution representation of the image. Logos, illustrations and graphics that will be color separated should be saved as EPS files.
- TIFF (Tag Image File Format) is a widely used file format for exchanging bitmapped images (usually scans) between applications. Black and white line art or grayscale images should be saved as TIFF files.
- All grayscale artwork must be saved at the size of the finished document at a minimum of 300 dpi—black and white line art at a minimum of 1200 dpi.
- Please submit TIFF files as a layered document, in case last minute modifications are required.
- Always provide a list of fonts used within a document. This allows output technicians to download the appropriate fonts to their image setter or output device. Remember to list all fonts used with imported illustrations, or the output device may substitute a different font.
- When supplying PostScript fonts with a job, be sure to supply the printer fonts (also called outline fonts) and screen fonts (bitmap fonts). Both must be available for proper output.
- When supplying fonts, be sure to supply those used in the creation of EPS files. (They will not show up in your page makeup application on the list of fonts used.)
- We do not accept TrueType based fonts. Convert to outlines.
- Specify fonts and their style (bold or italic, for example) by using the long menus in your publishing program rather than selecting bold or italic by clicking on a style bar. The menu selection will give you a more accurate representation of the font and style desired. On the Mac platform, clicking on the style bar allows you to select styles for which fonts do not actually exist.
- Limit the number of fonts used in each job.
- Avoid using fine serif fonts. These fonts are usually too thin and fill in or lose detail in the printing process.
- Avoid saving EPS files within EPS files. Avoid transparencies and Illustrator filters to create shadows; they convert to low resolution files.

We support the **sm@rt** program to improve artwork readiness. We accept artwork prepared by these standards. Please visit the website www.sm-art-artwork.com for more information.

ARTWORK STORAGE

Artwork will remain on file for 1 year. You must resubmit art after that time.

COPY CHANGES

See individual items.

PROOFS

Online proofs are no charge. E-mail or fax proofs requested to be sent outside of our online system will incur a \$10.00 (X) charge.

Silk Screened and Digital Product Proofs

\$10.00 (X). Custom die-cut samples will have die pattern printed on proof. Actual die will not be made until proof is approved. Product proofs on Car Signs are \$50.00 (X).

Offset/Press Proofs (applies to most Smartline™ cards)

\$75.00 (X) per color, per spot varnish, per side and/or per copy. All four-color process proofs and skin packaged postcard press proofs must be quoted. Call factory for quote. On all four-color process imprinted items we will produce a GT proof for \$10.00 (X) excluding stock four-color process items (catalog quantities only).

CANCELLATIONS OR CHANGES TO ORDERS

There will be a minimum \$40.00 (X) charge if an order is cancelled. Customer will be required to pay for all work completed at the time of the cancellation or change. Our goal is to provide the fastest service possible. Due to the speed of our order fulfillment, charges for changes or cancellations apply once the order is received. Changes may delay production and shipping.

ART RESUBMISSION CHARGE

When new artwork is submitted a \$10.00 (X) charge will be applied. *Changes to previously sent art must be sent to Customer Service to ensure use of new art.*

PMS COLOR MATCHES

Exact PMS color matches are not available on items in this catalog printed in four-color process. For requested color matches, we will use the closest CMYK equivalent possible. For specific PMS color matches, please view the section below on silkscreen magnets. In addition, metallic and fluorescent colors are not possible for digital four-color process imprint. For these options, contact Customer Service.

To ensure repeat orders match the previous color, material specs, etc., please include a sample of the previous item with the new order. Due to variations in inks, materials, and press runs, an exact match to previous orders is not always possible.

SILKSCREEN MAGNETS

Contact Customer Service for quote.

STOCK IMPRINT COLORS with NO PMS Color Match/Mix Charge:

Please note **"STOCK COLOR"** on your P.O. to avoid a PMS color match/mix charge. If a no-stock color or PMS number is listed, the requested color will be used and a PMS charge will apply. PMS/Color matches are not guaranteed due to variations in ink and raw materials. Lamination may also slightly alter color(s). We will use the ink color requested and match as close as possible.

Because the colors below are printed in four-color process, they are not exact representations of the colors used.

 Black Pantone Black	 Orange PMS 165	 Medium Blue Reflex Blue
 Gray PMS 430	 Yellow Pantone Yellow	 Dark Blue/Navy PMS 281
 Tan PMS 727	 Green PMS 347	 Purple PMS 266
 Brown PMS 469	 Dark Green PMS 349	 Pink PMS 230
 Burgundy PMS 202	 Teal PMS 320	 Medium Pink PMS 238
 Red PMS 485	 Light Blue Process Blue	

PMS Color Match:

\$18.75 (G) per color match.

Copy Charge:

\$20.00 (G) per color, per change in EQUAL increments. Catalog minimums apply per version.

STANDARD PRODUCTION TIME

See individual pages. Production time begins after receipt of complete order, approved artwork, and credit approval. Times shown are for catalog quantities only. For orders above catalog quantity, call factory for production time.

RUSH SERVICE

For orders requiring less than minimum standard production time, a rush charge may apply depending on production capacity. Contact the factory for production time confirmation and applicable charges.

OVERRUN POLICY

Every effort will be made to ship the exact quantity ordered. The Magnet Group guarantees no short orders. However, we do reserve the right, in accordance with industry standards, to ship a maximum of 5% over the quantity ordered. The quantity shipped will be noted on your invoice and is the quantity that will be billed.

PACKAGING

Items packaged bulk or as specified. Packaging is subject to change as necessary. The following special packaging options are also available:

- Poly Bags: Flat Flexible Magnets 4"x6" or smaller can be individually polybagged for .08 (G) per bag. Poly bags are FDA approved. For larger magnets, call for quote.
- Shrink Wrap: Flat Flexible Magnets can be shrink wrapped in quantities from 25 to 50 for .28 (G) per bag. All other quantities, call for quote.
- Zip Lock Bags: Available upon request call for quote.
- All other packaging: Call for quote.

MAILING SERVICE

Call factory for quote. Our Smartline™ Cards have been approved by the factory's local Post Office. We are not responsible for unaccepted Smartline™ Cards by other Post Offices or changes in postal regulations.

- If mailing list is submitted on disk, email or label, be sure it's in ASCII text format including a sample of 25 records of the file. Please submit list to Customer Service, do NOT send with art files. Excel spreadsheets are acceptable for mailing lists.
- If Magnet LLC™ is handling the mailing all postage must be paid prior to mailing.

SHIPPING & HANDLING

All shipments are F.O.B. Factory. Unless shipping methods or instructions are specified, we reserve the right to ship by the most beneficial means of transportation. Standard handling charges per box apply to all shipments, including 3rd party freight arrangements. Complete shipping instructions must accompany each order. Orders will be shipped directly to distributor if "Ship To Address" is NOT provided upon completion of order.

Due to variances in freight lines and charges, all freight estimates are estimates only. Magnet LLC™ is not responsible for final shipping charges.

Approximate weights on Flat Flexible Magnets:

.020 thickness		.030 thickness	
4 sq. in. - 4 lbs.	6 sq. in. - 8 lbs.	4 sq. in. - 8 1/2 lbs.	6 sq. in. - 12 1/2 lbs.
5 sq. in. - 7 lbs.	7 sq. in. - 9 lbs.	5 sq. in. - 10 1/2 lbs.	7 sq. in. - 14 1/2 lbs.

Note: Approximate weights on flat flexible magnets. Due to variances in material thickness and packaging alternatives, all weights are estimates only.

Freight Carrier: Freight carriers charge us for address changes caused by incorrect information on purchase orders. Any fees we incur will be invoiced to distributor after we are notified.

Collect, Residential, and Third Party Billing: Any charges refused by or unable to bill to account supplied will be invoiced to the distributor.

Drop Shipments: Billed at \$8.50 (G). Drop shipments include the following: different address same day, same address different dates (due within 30 days), or same address different methods.

Split Shipments: Billed at \$8.50 (G) on different dates due within 30 days.

C.O.D. Charge: Contact factory.

Foreign Shipments: Call factory for information and charges. All prices based on U.S. dollars and do not include tariffs, duties or brokerage fees.

Additional Charge: Additional charges billed to Magnet LLC™ by carriers due to changes in original shipping agreement will be invoiced to the distributor. This includes incorrect address charges, inside delivery charges or re-consigned freight due to no fault of Magnet LLC™.

PAYMENT TERMS

Net 30 days. All invoices not paid within terms will be assessed a late payment charge of 1 1/2% per month.

RETURNS

All returns must be authorized and accompanied by an RMA#. Any returned items must be packaged to prevent damage in shipment. Items damaged due to poor packaging on return shipment may not be credited. All returned merchandise will be inspected prior to any credit being issued. If no defect is found, merchandise will be returned to the customer at their expense.

Blank goods can be returned within 72 hours of delivery date. Please contact Customer Service for return authorization number. Returns will incur a \$25.00 restocking fee plus all freight charges. Returns received without a prior return authorization will be denied.

REMOVABLE ADHESIVE

Recommended Surfaces:

- Wood doors and desks
- Stainless steel
- Plastic and vinyl
- Computers
- Glass windows and mirrors

DO NOT PLACE ON PAINTED WALL OR WALLPAPERED SURFACES.
NOT RECOMMENDED FOR OUTDOOR USE.

MAGNETS FOR OUTDOOR USE

See pages 20-29 for outdoor magnets. All other magnets are not intended for outdoor use and qualify for different material.

SAMPLES

- We prefer all sample orders to be submitted in writing via fax or email.
- Sample requests received before 2:00 p.m. Central Time will ship SAME DAY.
- Freight will be invoiced unless a third party number is provided.

General Information/Terms & Conditions

VARIANCES

- Cut and registration variance not to exceed 3/32"
- Due to variations in inks, materials, and press runs, colors may not match previous orders exactly.
- Due to the shrinkage of material during the screening process, copy may not be perfectly centered or registered on each magnet. This applies to all magnets.
- Due to the shape of the circular magnets, all copy will not be perfectly centered on each magnet. A variance waiver letter must be signed and returned before order will be produced.
- Magnet LLC™ has automated equipment used for efficiency in our folding processes. A 1/16" tolerance (+/-) may be needed to allow for the folding.
- Due to the nature of the substrate, adhesive, and materials, total material thickness may vary by up to (+/-) .003 from standard.

MISCELLANEOUS

Flat magnets are measured by multiplying the maximum length by the maximum width to determine square inches involved.

**All prices in this catalog are subject to change without notice.*

OUR MAGNETS ARE ECO-FRIENDLY

70% RECYCLED MAGNETS
Magnets, by weight, are 70% strontium ferrite. This material is a by-product of iron oxide created during the steel making process and therefore, recycled material.

PRICING POLICY—PLEASE READ CAREFULLY

Prices in this catalog are effective at time of publication. Current product pricing is available on our web site and industry specific search tools that provide supplier certified pricing and these prices will prevail.

STATEMENT OF LIMITED LIABILITY

Magnet, LLC™, Innovations® by Magnet™, Benchmark® Crystal & Clocks, and The Bag Factory® are collectively known as The Magnet Group (TMG). TMG obligations with respect to orders placed and/or products delivered to buyer shall be limited to replacement or repair of defective products which are returned to the appropriate TMG division, postage pre-paid, within thirty (30) days from the date of shipping or, at TMG's option, to a refund of the amount of the purchase price paid for products returned to TMG within thirty (30) days from the date of shipping, without any further obligation or liability on the part of TMG. Buyer's sole remedies for liability of any kind with respect to products ordered or furnished by TMG and any other performance by TMG or with respect to buyer's use thereof, shall be limited to the replacement or repair or refund aforementioned and in no event shall TMG be liable or responsible for incidental, special or consequential damages allegedly caused by a failure to timely deliver products, non-delivery of products or a delivery of defective or non-conforming products. No claim of any kind by buyer, whether as to products delivered, non-delivery of products or other faulty performance by TMG shall exceed the amount of the purchase price received by TMG for the products, and a failure to provide TMG with notice of any claim within thirty (30) days from the date of shipping and failure to return such products within said time shall constitute a waiver of all such claims in respect to such products.

Additionally, please note all products and photos with trademarks or logos used in this catalog are to show art and in print reproduction capability only. They do not imply an endorsement by holders of such trademarks or designs. They are not meant to be advertisements, nor are these items for sale to anyone other than parties expressly authorized by the owner of such trademarks and logo designs. Each and every buyer represents and warrants that all artwork, product design, text, and other content ("Content") provided to TMG in connection with any order for products or services, does not violate or infringe the intellectual property rights of any third party. Buyer will, at its sole cost and expense, indemnify, defend and hold harmless TMG and its shareholders, subsidiaries and affiliates (each a "Magnet Indemnified party or TMG Indemnified party") from and against any claims, liabilities, suits and /or proceedings (each a "Claim") made or brought by any third party against any Magnet Indemnified party, including, without limitation, reasonable attorney's fees, costs, judgments, awards, settlement amounts and expenses with respect thereto, to the extent that such Claim is based on a claim, suit and/or proceeding that the Content or the use thereof by a Magnet Indemnified Party in fulfilling an order for products or services to Buyer violates or infringes a patent, copyright, trademark or other intellectual property or proprietary right.

*CALIFORNIA PROPOSITION 65 WARNING

Proposition 65 is a California law that has been in effect since 1986 to promote clean drinking water and keep toxic substances that cause cancer and birth defects out of consumer products. Proposition 65's formal title is "The Safe Drinking Water and Toxic Enforcement Act of 1986." It is administered by Cal/EPA's Office of Environmental Health Hazard Assessment (OEHHA).

The law requires that anyone at reasonable risk of exposure be informed when substances classified as toxins are present. Since enactment, it has been the reason for the addition of notices of specific contents to consumer product labels. Along with the added label requirements, an official list of implicated substances is maintained and made publicly available. To date there are over 700 chemicals listed, and entries are added or removed based on current scientific information. All substances listed show their known or suspected risk factors, a unique CAS chemical classification number, the date they were listed, and if so, whether they have been delisted.

The Magnet Group is committed to complying with all aspects of Prop 65. For further information please feel free to contact TMG at 1-800-458-9457.
