# Art Requirements & General Information

## General Information

Factory is not responsible for errors as a result of handwritten purchase orders or ad copy

**ORDER ACKNOWLEDGMENTS:** All orders will be acknowledged in writing by factory. We will consider no reply to be acceptance of pricing, schedule, imprint, and shipping information. Please contact our customer service department to correct any errors or discrepancies.

**CONFIRMATIONS:** All confirmations must be marked Confirming order, Do not Duplicate. Factory will not accept responsibility for duplications.

**SPECULATIVE SAMPLES:** \$35(v), on most products, plus all other applicable charges. See individual product pricing for charges

**DISTRIBUTOR SELF-PROMOTIONS ORDERS:** 1,000 quantity pricing for most products, please inquire. The imprint must contain the same name as that which is on the purchase order. Some restrictions to this offer do apply.

**CANCELLATION:** Cancelled orders must be confirmed in writing and called in. Cancelled orders are subject to a minimum of \$45(v) cancellation fee, plus any applicable screen, cut or other charges already incurred at the time of cancellation, such as goods (finished or unfinished) that have been prepared to meet ship date.

**CORRECTIONS:** Changes must be confirmed in writing and called in. All orders may be corrected once without charge. Additional corrections or changes are subject to a fee of \$35(v). Quantity increases are exempt from fees or charges.

**RE-STOCKING FEE (UNIMPRINTED ONLY):** Returned goods are subject to a 25% re-stocking fee, subject to authorization and inspection.

**CO-OPS:** Co-Op pricing is available. Write for specific information. Co-Ops not producing sufficient volume will not be eligible for co-op pricing the following year.

**COMBINATION PRICING:** Orders for two or more different items, at catalog quantities, with the same imprint for the same customer, written on the same order form, qualify for combination pricing. You must indicate your request for combination pricing on the order. Add the quantities of all items ordered to arrive at the combined quantity price. Each item ordered will be billed at the combined quantity price specific to each item, up to the end quantity price per item. Combination pricing available on all products.

**PRODUCT SIZES:** All sizes are approximate  
**SHIPPING:** Unless otherwise specified, we ship via UPS Ground, FOB factory or warehouse location. Factory cannot be held responsible for loss, damages, or delays once packages have been shipped.

Orders requesting FedEx Ground service will be assessed a handling charge of \$4.50 per box shipped; Orders shipping via US Post add \$25(v) handling per shipment

**ADDRESS CORRECTIONS:** Freight carries charge us for address changes caused by incorrect information on purchase orders. Any fees we incur will be invoiced after we are notified. There may be a delay up to 4 weeks after shipment date.

**DROP OR SPLIT SHIPMENT:** \$12.50(v) each. Drop shipment for large programs – please call for quotations

**FOREIGN SHIPMENTS:** Canadian shipments will be charged \$12.50(v) unless completed forms are supplied. All other foreign shipments must be handled by your broker.

**CANADIAN SHIPMENTS:** All duties, taxes & misc. charges are the responsibility of the recipient.

**LESS THAN MINIMUM:** Imprinted products: \$50(v) setup charge; 1 color imprints only. Unimprinted: \$18(v) handling charge. Unless otherwise specified  
**UNIMPRINTED ORDERS:** Charged at next column quantity price. Unless otherwise specified.

**OVERRUNS & UNDERRUNS:** Up to 10%, billed accordingly.

**EXACT QUANTITY CHARGE:** \$25(v)

**SAMPLE ORDERS:** No charge for samples with supplied carrier account number.

**RETURNS & CLAIMS:** Authorization must be granted and actual samples submitted before items can be returned. Claims must be made within 15 days of shipping date, and must not be deducted from our invoice as we do not guarantee safe delivery. Unused credits will be reversed/voided after 9 months.

**1ST TIME CUSTOMERS:** Please send pre-pay with order. This will enable us to process your order in a more efficient manner. Due to overruns and freight charges final invoice may be different from pre-pay.

**PRICING:** Prices are subject to change without notice. See website for current pricing.

**AVAILABILITY:** We reserve the right to correct errors in printing and substitute components based on availability.

**CARE AND LAUNDERING:** We recommend using cold water to launder products (with cold water detergent) and line drying. Do not bleach and do not commercial launder. We purchase the highest quality inks, but they are not guaranteed to withstand laundering. Some surface ink will wash off. We recommend a customer request samples and make his own test. With cotton material some shrinkage will occur.

**PRODUCT SIZES, IMPRINT SIZES, AND PRODUCT COLORS:** please note all product sizes, imprint sizes, and product colors are approximate.

Imprint areas shown are only a guide; imprint size is subject to review of artwork

**TRADEMARK NOTICE:** The artwork, designs, and trademarks imprinted on the products displayed herein are reproduced only as examples of the type and quality of imprinted products available. They are not intended to represent that the products are either endorsed by or produced for the owners of the artwork, designs, or trademarks.

**LEWTAN INDUSTRIES ACCEPTS:** Visa, MasterCard or American Express up to \$2500

## Printing Methods

**SUBLIMATION PRINTING:** Sublimation is a process where dye is imprinted onto transfer paper. When applied with heat and pressure, the dyes are changed into a gas and are dyed into the polyester material. This is recommended for multi-color or photographic style imprints. Certain colors, especially golds and yellows, do not always reproduce well. Metallic colors are not available.

**DIRECT PRINT** (also called silk-screening or screen printing): This is a process in which ink is applied directly on top of the surface, then heat cured to the finished product. Allows for an array of pre-mixed colors to be used, including brushed golds and metallic inks.

**PAD PRINTING:** Is a process that transfers an image out of an etched plate onto a silicone pad, and finally onto the product.

**HOT STAMPING:** This is a heat transfer process using a raised plate to stamp foil images onto the product.

## Color Matching and 4 Color Process

**PANTONE PMS COLORS / SPOT COLORS:** On most products, the Pantone PMS Solid Uncoated scale will be used. Chosen colors will be matched as closely as possible, however some variation due to texture, finish, and color of the substrate being printed may occur.

**4 COLOR PROCESS:** 4 colors are combined to create images that include halftones, gradients, or photo images. This process does not allow for exact color matching, and may affect certain colors drastically.

## Art specifications

For best quality, please submit all artwork via e-mail or upload on our website as vector files with all text converted to curves or outlines, and all colors specified as PANTONE PMS colors from the solid uncoated swatch palette. If vector artwork is unavailable, please submit rasterized artwork at a resolution of 300dpi at 100% print size. Lower resolution is acceptable, although it will have a negative impact

on print quality. Higher resolution is not typically necessary.

Please understand that artwork created in another program and saved as a vector file format does not guarantee usable art (i.e., a JPEG file saved from Adobe Illustrator does not make it a vector graphic).

Acceptable file formats for digital artwork: .pdf (Portable Document Format), .ai (Adobe Illustrator), .eps (Encapsulated Post Script), .jpg (Joint Photographic Experts Group), .gif (Graphic Interchange Format), .psd (Photoshop Document), .tif (Tagged Image Format File – must have Byte Order as “PC”)

## FONT SUGGESTIONS & HELPFUL TIPS

Direct print methods (textiles, screen printed mouse pads and wrist rests) should not have type below 12pt. (san-serif) or 16pt. (serif). Letterpress or hot stamping methods (jar openers, books) should avoid large reversal areas, and have a line weight of at least 1pt. Font point sizes should not be below 9 point (san-serif) or 10pt. (serif). Sublimation should have font sizes of

12 pt. (san-serif) or 16 pt. (serif), and line weights of 1pt. Small reversed text will experience fill-in or bleeding.

## Proofing

**EMAIL/DIGITAL PROOFS:** Email proofs will be provided upon request at a cost of \$10(v).

**PHYSICAL PROOFS** (pre-production samples): \$40(v) plus all applicable setup charges, unless otherwise noted. Setup charges are 1-time charges on most products, and will not be charged twice if physical proof is approved without charges.

## TYPESETTING AND DESIGN

Setup charges include basic typeset, adding your logo to a product or typeset, and light touch-up to allow the logo to be produced at it's best. Any art preparation that is required outside normal boundaries will be charged at \$45.50(v) per hour, with a 1 hour minimum.

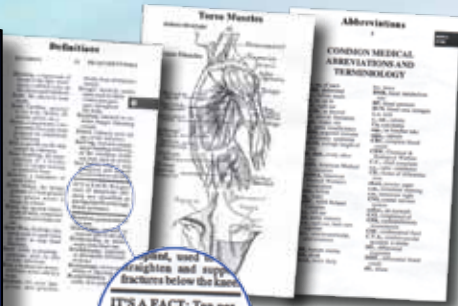

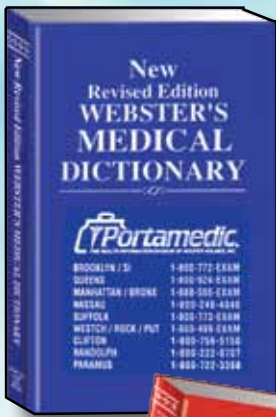

**REPEAT ORDERS:** To ensure exact duplication, furnish our previous invoice number, date of invoice, and a sample. Exact imprint color and product cannot be guaranteed on repeat orders. All artwork will be kept on file for 2 years.

# #1 Best Selling - Pocket Sized Books

PUBLISHING DIV.

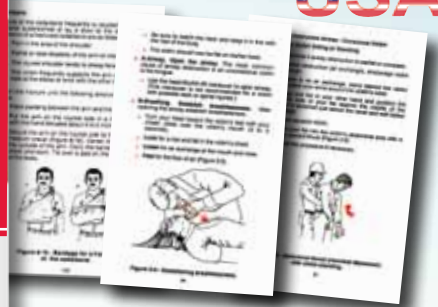

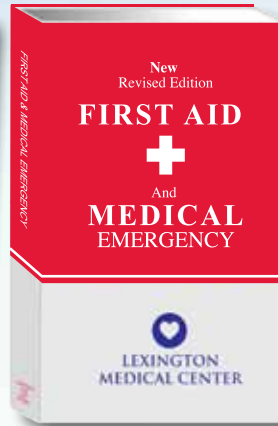

Made in USA

IT'S A FACT: Ten percent of American children are classified as having significantly high blood pressure.

**MEDICAL TERMS DICTIONARY INCLUDES:**

- Sports Medicine Reference Guide
- Anatomy Illustrations
- Terminology Abbreviations
