Long-lasting reusable drinkware helps make a difference on the environment by reducing waste and saving energy.

All VisionUSA drinkware products are...

- **BPA & Lead Free**
- **Reuseable/Recyclable**
- **Safe and Compliant**
- **California Prop 65 Compliant**

Recycled Plastic

Mugs for Life®

A complete line of high quality drinkware manufactured from 100% recycled plastic. (See pages 44, 45).

RINSE & REUSE 

Write-On Signature Panel

Our stock 'write-on-signature panel' allows employees to identify their individual mug by printing their name directly on the panel with a permanent marker. No extra charge when white ink is used in clients message. If signature panel prints on opposite side, additional charge may apply. See individual item imprint specs.

Stock 'Nature'

Stock 'Greenleaves'

- Specify 'Nature' or 'Greenleaves' design on your order.
- Standard \$85.00 (G) digital set-up charge applies.

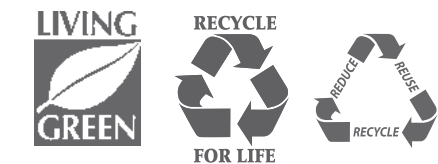

'Go Green' Stock Designs

Use our new 'Go Green' stock designs with full color wrap-around graphics to help promote your green message. Both designs are available in many of our thermal drinkware items at no extra charge.

Stock Recycling Graphics

Add one of these distinctive recycling designs to promote a green message. No extra charge when printing in same color as customer logo. Specify the selected design clearly on your order.

International Globe Design

Enhance your international image with this stock graphic.

- Stock International Globe Design can be reproduced at no extra charge when imprinted in the same color as your message. Set-up charge applies.
- Globe Design can be reproduced in a different imprint color than your message for an additional imprint running charge. Set-up for Globe Design at no charge.
- Clearly specify on your order 'International Globe Design'.

Oval and Push Button Canisters

VisionUSA offers three unique styles of made to order canisters. Our patented Small and Large Oval Canisters feature optional dividers for separation of stored items. Our Large Push Button Canister features a patented 'smooth action' push button lid. All three are ideal for health care supplies and edibles. Inquire for quotation.

Absolute minimum 5,000 pieces.

Production time – Approximately 10 – 12 weeks.

4 Color Process Direct Printing

VisionUSA maximizes visual impact with our award-winning 4-color process direct printing. It offers the ability to create a dramatic and long-lasting message by reproducing full color designs, detailed images, photographs and other intricate artwork directly onto selected products. Inquire for details and pricing. **Minimum 1,200 pieces.**

Artwork

Sending artwork via email will save time and ensure exact reproduction of your message.
art@vision1usa.com

Artwork supplied should be saved in a Macintosh editable, vector based format. VisionUSA uses the latest Mac versions of Adobe Illustrator and Photoshop. We accept email, CD or DVD. Full color photographs should be supplied to imprint size at 300 dpi resolution, or at 1200 dpi for b/w bitmapped images. Be sure to include all linked and/or embedded photos.

All type should be converted to paths or outlines. Reference online at www.vision1usa.com 'artwork' section for layout guides and relevant submission information on every VisionUSA item.

Basics

Acknowledgements: All orders are acknowledged. Advise of any discrepancy upon receipt.

Order Changes: Must be confirmed in writing. Factory will not accept responsibility for correctness of verbal orders.

Repeat Orders: To ensure exact duplication of copy, include factory invoice number from most recent order. Note: Artwork, film and screens kept on file for 3 years.

Co-op Programs: Quotation upon request.

Cancellations: Will result in billing for all work to that point; \$20.00 (G) minimum if order entered into system.

Orders: All prices subject to change without notice. Always reference our website for the most up-to-date information.

Trademark Notice: Products and logos shown in this catalog appear only to illustrate the basic products and ability to include messages and art on them but are never intended to suggest that imprints were designed by this company or that the products with those specific imprints are readily available to any purchaser without permission of the owners of the trademarked or copyrighted art or copy.

Production

Standard Production Time: 6 to 9 working days from receipt of both your order and artwork.

Overruns/Underruns: Due to production difficulties of manufacturing exact quantities without sacrificing quality, shipments of 5% over or under quantity ordered will be considered fulfillment of order and billed accordingly.

Tint%, Halftones, etc.: Maximum 55 line screen to size required on screen print items. 100 line screen on pad print items.

Special Requests

Proofs: Actual Product Proof for screen or pad printing \$30.00 (G) per color. Allow for additional production time on your order.

Change of Copy or Imprint Color: Add \$45.00 (G) per change plus art. Catalog minimum and full carton quantities necessary per change.

Speculative Samples: \$30.00 (G) per color plus art; includes cost of product.

Full color on thermalware items, \$40.00 (G).

Insertions: Cards or literature can be packaged with products at \$.10 (G) per piece. Insertions must arrive at factory at least 3-4 days prior to ship date.

Large Quantity Quotations: Upon request.

Custom Item Color: Quotation upon request. Most products require a minimum of 5,000 pieces.

Standard Packaging: All products are provided individually polybagged for added protection. Orders shipped in full carton quantities.

Special Packaging: Available on most items.

- Individual Gift Boxes: \$.85 (G) per piece.
- Individual Mailers: \$.95 (G) per piece.

Shipping

F.O.B. Point: Factory in New Jersey.

Method: Determined by factory unless specified on order. Air shipment requests must be confirmed in writing. Not responsible for delay or damage on part of carrier.

Drop Shipments: Orders shipped to more than one destination subject to \$10.00 (G) charge per drop. Must conform to standard case packaging.

Returns: No merchandise may be returned without factory authorization number.

Standard Imprint Colors (no charge)

- Black • White • Red (close to PMS 485) • Orange (close to PMS 172) • Yellow (close to PMS 108) • Green (close to PMS 347) • Process Blue • Reflex Blue • Maroon (close to PMS 202) • Teal (close to PMS 327) • Metallic & Microwaveable Silver (close to PMS 877) • Metallic & Microwaveable Gold (close to PMS 872) • Navy (close to PMS 282) • Forest Green (close to PMS 350) • Grey (close to PMS 423).
