Self Adhering Micro Fiber Screen Cleaner

Environmentally Safe Product

Create custom four color process printing on each of our 5 sizes of self adhering micro fiber screen cleaners, price also includes a custom four color process card. The gel backing is a self-adhesive environmentally friendly material that adheres to and cleans your most sensitive high tech items such as mobile phones, digital cameras, computers, glasses, photographic and optical lenses. It's no longer necessary to use harsh chemicals to clean these items. Rinsing in water restores the adhesion.
