Printing Information / Art Requirements

PRINTING: Flexographic printing requires color separated art, metal engravings and rubber printing plates. Camera-ready art must be color separated to exact size, have bearers, and center lines, and have clean and sharp, contrasting print. Where camera-ready art is not available, artwork will be billed on a time basis of \$60.00 per hour. Please note, your artwork must be free of staples, holes, tape, ink marks, or paper clips. Artwork is best received when properly submitted flat, in a separated envelope, accompanied with a copy of your purchase order.

PRINTING CAPABILITIES: We are capable of printing up to 6 colors on both sides of bag, and up to 100% print coverage, except where indicated otherwise. For example, double wall bags cannot be printed with 100% ink coverage. Please call us for further information. PROCESS PRINTING IS AVAILABLE WITH A 10M PIECE MINIMUM, AND REQUIRES PRIOR APPROVAL OF ARTWORK AND A SPECIAL QUOTATION PROPOSAL.

PLATE CHARGES: The following price chart should be used to calculate estimated plate charges for straight line art copy, when the SAME copy is printing on BOTH sides of the bag. **PLEASE NOTE: When printing screen, halftone, or 4-color process copy, 100% ink coverage, bags that are less than 12" wide, oversized print copy (over 20"), or 1 side print or different copy on each side of bag, you must contact us for special quotation.** To achieve an estimated plate charge, please follow the recommended guidelines:

- Measure the furthest dimension of print copy for width and height for each print color.
- Multiply the width by the height to get total square inches per color.
- Use the chart below to calculate the plate charge for each color, which covers the plates for BOTH sides of bag. For copy measuring over 20" requires a special quote.

1-50	square inches	\$120.00 (V) per color
51-100	square inches	\$225.00 (V) per color
101-150	square inches	\$295.00 (V) per color
151-200	square inches	\$362.50 (V) per color
201-300	square inches	\$430.00 (V) per color
251-300	square inches	\$495.00 (V) per color
Over 300	square inches	Quotation Required

- Normally, plates are stored for up to 2 years.
- Exact repeat orders will not incur plate charges.

ART REQUIREMENT: Artwork should be prepared in camera-ready (Black & White) format, color separated, and to size, 600 dpi or higher for proper reproduction, photocopies, faxes and business cards are not camera-ready and will require professional artist services. Any enlargements or reductions of camera-ready artwork will require an additional fee. Please call for details.

We will accept art supplied on disk prepared for MAC format. On a multiple color artwork, you must supply a composite showing proper color breakdown with your disk. We can accept a MAC formatted disk, zip disk, or CD, etc. We are currently able to work with art formatted in the following programs:

- Adobe Illustrator 9.0 (or earlier)
- Adobe Photoshop 5.5 (or earlier)

- Corel Draw 8.0 (or earlier)
- Freehand 9.0 (or earlier)
- Quark Xpress 4.0 (or earlier)

SPECIAL NOTE: A FEE WILL BE INCURRED TO OUTPUT ARTWORK SUPPLIED ON DISK. It is recommended that you have a black and white hard copy and/or color output proof supplied with your disk. In addition, when fonts are used, you will need to include the screen and printer fonts used for the print job on the disk or create outlines for all type in illustrator. Maximum printing capacity is 6 colors.

PLEASE NOTE: Screens and solids, (even in the same color) must be separated. To help you understand, if you have 286 Blue and a 30% 286 Blue screen, this will become a 2 color job. Be certain to prepare art file and output with the solid blue on a separate plate from the blue screen. Do not forget to add proper trapping to the screen and have the solid overprint. All screens need to be printed at a 55 line up to a maximum 65 lines. Please be aware, we cannot blend screens to achieve graduated blends of color.

Here are a few essential tips when preparing artwork:

- Please make sure artwork is prepared with bearers and scribes for each print color. Each color separation must have bearers and center lines that correspond to each other.
- When preparing artwork for trapping of colors (overlap colors maintain registration), there must be no less than 3/64" trap. Please take caution when trapping certain ink colors, which can result in creating another undesired color when printed.
- Printable image area is generally 1/2" from sides of the bag and 1/2" from the bottom of the bag. Print image starts 4" down from the top of the Patch Handle bags to avoid the handle and seal area, and generally start 3" down for all other types of bags. Please call for further details.
- Print images requiring bleed off the edges of the bag require further assistance.

EYE SPOTS: Required for accuracy of bag size during manufacturing process. This will be printed as a small, solid, rectangular box in one of the corners of the bag.

INK COLOR CHANGES: \$90.00 (V) per change.

FULL PRINTING PLATE CHANGE: \$90.00 (V) per change.

SLUG PRINTING CHANGE: \$60.00 (V) per change.

General Information

PRICING: All pricing is per thousand bags (except where indicated), and includes ONE color printing on BOTH sides of bag (except where indicated) up to 50% ink coverage, but does not include the cost of any necessary artwork and/or printing plates. **FOR PROCESS PRINTING, SCREENS, HALFTONES OR GREATER THAN 50% INK COVERAGE, PLEASE CONTACT US FOR A SPECIAL QUOTATION. ALL PRICES ARE SUBJECT TO CHANGE AND REVIEW OF ARTWORK.**

ORDERING INFORMATION: All purchase orders should be specified as follows: quantity, bag style, bag size, film color, (and type where applicable), position of print (if not specified, print position will be centered), shipping instructions and preferred freight terms. On double wall bags, you must specify color of inner layer of plastic. Outer layer is always clear. All orders must be in writing. All orders will be confirmed in writing.

PRODUCTION TIMES: All orders are subject to seasonal variations. On repeat printed orders, normal lead-times are 4 weeks. On new orders, lead-time is 4 weeks after receipt of approved proof. Please be aware that a proof is generally produced 5-7 business days from receipt of purchase order and artwork. **RUSH SERVICE IS AVAILABLE.** Please call for further information.

PROOFS: On all new printed orders, a black and white paper proof, color laser composites, or color keys are available at cost. Please call for further information. Please specify when ordering. Your order will not be manufactured, and lead-time will not begin until a signed, approved proof is returned to us. Once a signed proof is approved, no claim or allowance of any kind will be considered on printing.

BAG COLORS: The following colors are available (unless noted otherwise throughout catalog): Clear, White, Black, Gray, Ivory, Buff, Orange, Red, Baby Blue, Dark Blue, Baby Pink, Hot Pink, Dark Green, Silver, and Gold. (For Gold poly, add 15% to prices shown. Metallized poly available as shown on p. 7. Not all colors are available in all sizes and styles. Please call for further information.)

INK COLORS: Any non-metallic PMS color is available (in matte or glossy finish). For special ink matches or metallic inks, please call for quotation. It is important to note that colors of films and inks are subject to commercially acceptable standards. Therefore, film and color variances should be taken into consideration when choosing combinations regarding your artwork layout and film colors. Please call us for further information.

ALLOWABLE OVERRUNS / UNDERRUNS: All orders are subject to the following variation: Under 100M: +/- 10%-15% variance is allowable. Over 100M: +/-10% variance is allowable. Invoices will reflect the actual amount of bags shipped.

FREIGHT: ALL ORDERS ARE FOB OUR FACTORY IN BROOKLYN, NEW YORK. All shipments will be made prepay and add (unless specified otherwise on purchase Order). All incurred freight charges will be added to your invoice. Normal routing is via common carrier, UPS or Fed Ex. Please advise in writing if special circumstances exist regarding your delivery needs (i.e. split shipments, inside delivery, etc. will be additionally charged). Please call for details.

SPECIAL QUOTATIONS: Required for printing any size bag not shown in catalog, or for printing four color process artwork, screens, halftones, or greater than 50% ink coverage. For additional quantity breaks, special pricing will be considered. Please call for details.

CANCELLATIONS: All orders must be cancelled in writing. All charges incurred up to the time of cancellation (i.e.: artwork, proof(s), plates, film, or other material and/or labor costs), will be billed accordingly.

INSPECTION AND RETURN OF MERCHANDISE: Merchandise may not be returned without prior written authorization from RAINBOW BAGS. All shipments should be inspected upon receipt. It is your responsibility to review packing slip or bill of lading for any damaged or missing cartons. Some returned items may carry a re-stocking charge. Please call for details.

CREDIT POLICY AND PAYMENT TERMS:

- **NEW ACCOUNTS-** A credit application must accompany or precede your order. Please allow at least 5 business days for credit clearance. If you wish to proceed immediately, please enclose a 50% deposit, or your order can be charged (VISA, MASTERCARD, and AMERICAN EXPRESS accepted).
- **ESTABLISHED ACCOUNTS-** Net 30 days. Large dollar volume sales will require special arrangements. Please call for further information.
- We welcome COD orders.

CUSTOMER SERVICE: Representatives are available to assist you from 8:30 am to 5:30 pm Eastern Standard Time.

SAMPLES: Available on all products and styles at no additional cost. Please call for details.
