Promotional Custom Healthcare Apparel

ACCESSORIES

Medical Device manufacturers, Pharmaceutical Companies and some Hospitals also use Thyroid Collars and Stethoscope Covers to get their message out to health care professionals in the field. We can find theme prints for your promotion, or create a totally custom item using logos and images you provide.

Stethoscope Covers Style# SC-1

Print out your message loud and clear on these custom items. Imprint area is 20" by 3.5".

You can print a front and back or just the front.

Thyroid Collars Style# TC-1

Used with a lead insert during x-rays, these thyroid collars can be made in the same fabrics as scrub caps for a consistent message. Terry backing makes these a comfortable alternative to stiff, scratchy fabrics.

Promotional message can be embroidered or screenprinted on the front.

T10-B Traditional Tie Back Scrub Caps

Look closely at these caps, they all have creative background printing and are overprinted with the logos.

Our art department can help you make your product logos look like they belong on a cap, send us your logos and we will work the magic.
