## More Online Release Program Products, including wood pens!

Almost every style of badge, Goodkind® Wood Pens, Log Boxes and Tags can all be placed into our online release program.

Our Online Release Program makes reordering even 1 product easy.

- 1** Purchase your badges. Order extra to be placed into your release program.
- 2** Your online release program is customized just for you. You are in control.
- 3** Go to badgerelease.com to enter imprint for each badge you need. Orders can be placed by you or the end-user. Safe and secure with login and password to protect your information. We never sell or distribute your email address.
- 4** Badges are shipped to you within 2-3 days

**Ask your rep for a demo of  
www.badgerelease.com**

## What is Re-Stick-It?

A product so revolutionary, you'll have to experience it yourself. Like a magnet, but not. Like a static cling, but not. It sticks everywhere! And it

removes cleanly with no residue. Over and over and over again! Magic you say? Ask for a sample so you can try it yourself.

### RE-STICK-IT FREE SELF PROMO

(up to \$125.00 total retail value)

Includes 100 of RS-1060 or RS-2030 or RS-2035 and free digital setup charge.

Limit 1 per salesperson. Expires 12/31/09.  
Digital artwork required with distributor logo.
