## #2 Show Room Sample Kits

Visit [www.howw.com](http://www.howw.com) to download our **Sample Kits Order Form** located in the pdf flyers section of our Distributor Tools Page (must register and log in for access.)

## #3 Enhance your presentation with your client's logo on a Virtual Image

### FREE Virtual Samples

For professional results with your sales presentation, HOWW can provide a virtual sample of any product. Email your artwork and products request to [michelle@howw.com](mailto:michelle@howw.com) and a virtual sample will be made for you generally within one hour.

## #4 Instantly show your client a range of products that will fit their theme

### HOWW Sell Sheets

Pre-made themed sell sheets set for your presentation. Each theme's sell sheet has an assortment of HOWW products in various colors, sizes, and prices. Simply download and email the sell sheet to your client so they can immediately view a variety of products sure to match their promotion and budget.

Downloads can be found in the **Presentations At A Glance** section of [howw.com](http://howw.com), accessible through the home page.
