Western Promotions gives your clients the opportunity to put their message on a green, earth-friendly gift that will amaze and inspire customers, prospects, and show attendees for years when their plants grow, and flowers bloom. With Blooming Corporate Gifts available year-round to enjoy indoors or out, our beautifully packaged products are perfect for any organization looking to promote and grow their business.

To reduce the negative impact on the environment and keep our prices low, we do not print our catalogue. Instead, we invite you to view, download, and/or print our [eBrochure](#) found on the web at www.WesternPromo.com/Promotions.

Our products change with the seasons so check back often for Spring, Summer, Fall, and Holiday Promotional Gifts that Grow and Bloom.
