“Being a Proforma franchise owner for over eight years and being in the printing and promotional industry for over 14 years I faced a dilemma. My customer needed me to do their Corporate outdoor flags. I have never done this type of product.

“I did know the flags had to be the BEST quality available. I called all the Proforma PLP’s that specialized in flags. Not being very knowledgeable about flags, I consulted with a rep from **AdCapitol**. She patiently listened to me and found out what my needs were... and the flags came out PERFECT. With the exceptional help from my rep and **AdCapitol**’s art department, I know I will do as much promotional business with them as possible.”
