I wanted to once again thank you for the Carrothead Hats. They arrived today & everyone gets excited when they see them!

We are close to firming the press release, and then we'll formally announce the club by the end of this week. These hats will play a big role in the future of our first official Six Flags Kids' Club.

Big thanks to you.

Carol

Hi Richard-

The foam K's are a huge hit!!!!!! Thank you for everything.

I am mailing you a check today.

I look forward to working with you again in the near future.

Good Afternoon:

I want to take a moment to reply to a letter dated April 2007 to: Dear Customer
This letter was enclosed in the material that we requested from your firm.

I do not regularly reply to a general form letter.

However, once in a very great while, a REALLY GOOD ONE will cross my desk.

Such was the case this morning, when I read with little interest at first, what seemed to be another "HURRAY FOR US" form letter.

Not the case. Your letter is worth reading and re-reading and SAVING.

The value comes in that you wrote the letter to ME from MY perspective.

You told me what you(PENMAR INC.)did for ME.

I get lots of these, but I WILL REMEMBER what you had to say.

Namely, you have an eyeglasses case that is afffordable and will have utility with those folks like HOSPITLAS that provide a bag for the patient's belongings, also, the COMPRESSED SPONGES that delight children by being a trick item(and also functional).

THANK-YOU MR. LANGER for such a thoughtful letter.

Richard,

Thanks so much and I appreciate rushing the order.

Jeff
