

“We do the Difficult everyday, the Impossible just takes a little longer.”

- Magnet, LLC

Shantelle:

Please pass on my compliments and thanks to all involved in my message magnet order. I have been a “Preferred Vendor” of this client for twenty years. One of the many reasons they place their orders and confidence with me is because of the suppliers I choose to do business with. Having spent over 42 years in this industry, (nine years on the supplier side), I know that all suppliers are not the same. This good customer depends on me to select the best suppliers for their projects. By proactively questioning the art issue, **Magnet LLC** has again made me look good in the eyes of my #1 client.

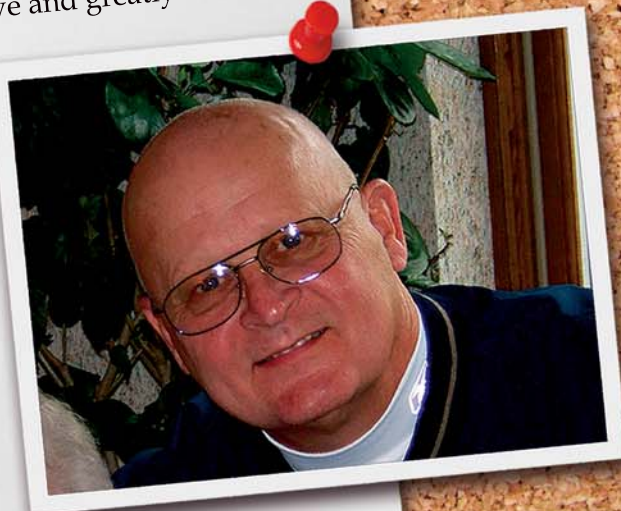

Your willingness to produce this 85,000 piece order in 5 days, as well as your attention to detail is impressive and greatly appreciated. We will be doing more business in the future.

With Sincere Thanks,

Brian A. Trowbridge, CAS
